Statements in this benchbook represent the professional judgment of the author and are not intended to be authoritative statements by the justices of the Michigan Supreme Court. This edition was initially published in 2015 and is current through July 17, 2019.
Note on Precedential Value

“A panel of the Court of Appeals must follow the rule of law established by a prior published decision of the Court of Appeals issued on or after November 1, 1990, that has not been reversed or modified by the Supreme Court, or by a special panel of the Court of Appeals as provided in this court rule.” MCR 7.215(J)(1).

Several cases in this book have been reversed or overruled in part and/or to the extent that they contained a specific holding on one issue or another. Generally, trial courts are bound by decisions of the Court of Appeals “until another panel of the Court of Appeals or [the Supreme] Court rules otherwise.” In re Hague, 412 Mich 532, 552 (1982). While a case that has been fully reversed or overruled is no longer binding precedent, it is less clear when an opinion is not reversed or overruled in its entirety. Some cases state that “an overruled proposition in a case is no reason to ignore all other holdings in the case.” People v Carson, 220 Mich App 662, 672 (1996). See also Stein v Home-Owners Ins Co, 303 Mich App 382, 389 (2013) (distinguishing between reversals in their entirety and reversals in part). But see Dunn v Detroit Inter-Ins Exch, 254 Mich App 256, 262 (2002), citing MCR 7.215(J)(1) and stating that “a prior Court of Appeals decision that has been reversed on other grounds has no precedential value. . . . [W]here the Supreme Court reverses a Court of Appeals decision on one issue and does not specifically address a second issue in the case, no rule of law remains from the Court of Appeals decision.” See also People v James (Joel), 326 Mich App 98 (2018) (citing Dunn and MCR 7.215(J)(1) and stating that the decision, “People v Crear, 242 Mich App 158, 165-166 (2000), overruled in part on other grounds by People v Miller, 482 Mich 540 (2008), . . . [was] not binding”). Note that Stein specifically distinguished its holding from the Dunn holding because the precedent discussed in Dunn involved a reversal in its entirety while the precedent discussed in Stein involved a reversal in part.

The Michigan Judicial Institute endeavors to present accurate, binding precedent when discussing substantive legal issues. Because it is unclear how subsequent case history may affect the precedential value of a particular opinion, trial courts should proceed with caution when relying on cases that have negative subsequent history. The analysis presented in a case that is not binding may still be persuasive. See generally, Dunn, 254 Mich App at 264-266.
The *Recreational Vehicle Benchbook* derives from the former *Traffic Benchbook*. The *Traffic Benchbook* was first published in 1993, and a revised edition was developed through a project funded by the Michigan Office of Highway Safety Planning and the U.S. Department of Transportation. The third edition was produced in 2005.

The first edition of the *Recreational Vehicles Benchbook* was authored by MJI Research Attorneys, Alessa Boes and Lisa Schmitz, and was edited by MJI Publications Manager, Sarah Roth. The authors of the first edition were greatly assisted by an editorial advisory committee whose members reviewed draft text and provided valuable feedback. 1.1 Scope Note

This chapter discusses the jurisdiction and authority of district court magistrates as it relates to the following recreational vehicles: off-road vehicles (ORVs), snowmobiles, marine vessels, and personal watercraft. It also provides an overview of the penalties and sanctions generally associated with specified recreational vehicle violations under certain circumstances. Finally, it discusses the default mens rea standard for criminal offenses committed on or after January 1, 2016.

1.2 Jurisdiction and Authority of District Court Magistrates

“Only to the extent expressly authorized by the chief judge, presiding judge, or only judge of the district court district, a district court magistrate may do 1 or more of the following:

(a) Accept an admission of responsibility, decide a motion to set aside a default or withdraw an admission, and order civil sanctions for a civil infraction and order an appropriate civil sanction permitted by the statute or ordinance defining the act or omission.

(b) Accept a plea of guilty or nolo contendere and impose sentence for a misdemeanor or ordinance violation punishable by a fine and which is not punishable by imprisonment by the terms of the statute or ordinance creating the offense.” MCL 600.8512a.

A. State Civil Infractions

“A district court magistrate may hear and preside over civil infraction admissions, admissions with explanation, motions to set aside default or withdraw admissions, and conduct informal hearings in civil infraction actions under . . . MCL 257.746, or [MCL 600.8719] or [MCL 600.8819], as applicable.” MCL 600.8512(1).

“In exercising the authority conferred by [MCL 600.8512(1)], a district court magistrate may administer oaths, examine witnesses, and make findings of fact and conclusions of law.” MCL 600.8512(1). “If a defendant is determined to be responsible for a civil infraction, the district court magistrate may impose the civil sanctions authorized by . . . MCL 257.907, or [MCL 600.8827], as applicable.” MCL 600.8512(1).
B. Misdemeanors Punishable by Not More Than 90 Days

District court magistrates, when authorized by the chief judge of the district court, have the jurisdiction and authority to arraign and sentence upon pleas of guilty or nolo contendere for misdemeanor violations of the Marine Safety Act, or substantially corresponding local ordinances, if the maximum penalty does not exceed 90 days in jail or a fine, or both. MCL 600.8511(a)(iii).

C. Misdemeanors Punishable by Not More Than 93 Days

Except for violations of MCL 324.81134, MCL 324.81135\(^1\), MCL 324.82128, and MCL 324.82129, district court magistrates, if authorized by the chief judge of the district court district, have the jurisdiction and authority to arraign and sentence defendants based on guilty or nolo contendere pleas for misdemeanor violations of the ORV Act and the Snowmobile Act, or substantially corresponding local ordinances, if the maximum penalty does not exceed 93 days in jail or a fine, or both. MCL 600.8511(c). “However, the chief judge may authorize the magistrate to arraign defendants and set bond with regard to violations of [MCL 324.81134, MCL 324.81135\(^2\), MCL 324.82128, and MCL 324.82129].” MCL 600.8511(c).

1.3 Authority of Secretary of State

“The Secretary of State has the statutory power to review driving records and determine sanctions.” People v Greenlee, 133 Mich App 734, 737 (1984). “[I]t [is] not within the jurisdiction of the district court to place a civil defendant on probation and restrict his [or her] driving privileges.” Id.

\(^1\)MCL 324.81135 was repealed by 2014 PA 405, effective March 31, 2015. The crime of operating while visibly impaired is now codified at MCL 324.81134(3). MCL 600.8511(c) has not been amended to reflect this change.

\(^2\)MCL 324.81135 was repealed by 2014 PA 405, effective March 31, 2015. The crime of operating while visibly impaired is now codified at MCL 324.81134(3). MCL 600.8511(c) has not been amended to reflect this change.

“If more than 1 conviction, civil infraction determination, or probate court disposition results from the same incident, points shall be entered only for the violation that receives the highest number of points under [MCL 257.320a].” MCL 257.320a(5).

A. ORVs

Six points must be assessed for a violation of MCL 324.81134 (operating an ORV while under the influence, with an unlawful bodily alcohol content, with any amount of certain controlled substances, while visibly impaired, with any bodily alcohol content if under 21 years old, or in violation of certain provisions in MCL 324.81134 with an occupant under 16 years old), or a substantially corresponding law or ordinance. MCL 257.320a(1)(c).³

Four points must be assessed for a violation of MCL 324.81135 (operating an ORV while visibly impaired), or a substantially corresponding law or ordinance. MCL 257.320a(1)(i).

B. Snowmobiles

Six points must be assessed for a violation of MCL 324.82127(1) (operating a snowmobile while under the influence, with an unlawful blood alcohol content, or with any amount of certain controlled substances), or a substantially corresponding law or ordinance. MCL 257.320a(1)(c).⁵

Four points must be assessed for a violation of MCL 324.82127(3) (operating a snowmobile while visibly impaired), or a substantially corresponding law or ordinance. MCL 257.320a(1)(i).⁶

³See Section 2.29 for more information on operating an ORV while under the influence or with an unlawful bodily alcohol content. See Section 2.30 for more information on operating an ORV while visibly impaired.

⁴MCL 324.81135 was repealed by 2014 PA 405, effective March 31, 2015. The crime of operating while visibly impaired is now codified at MCL 324.81134(3). MCL 600.8511(c) has not been amended to reflect this change.

⁵See Section 3.31 for more information on operating a snowmobile while under the influence or with an unlawful bodily alcohol content.
1.6 **Driver Responsibility Fees**

Driver responsibility fees are imposed under MCL 257.732a when a driver accumulates seven or more points within a two-year period, MCL 257.732a(1), or upon conviction of certain enumerated offenses, MCL 257.732a(2).

A. **Accumulation of Seven or More Points**

Until October 1, 2018,7 “an individual, whether licensed or not, who accumulates 7 or more points on his or her driving record under [MCL 257.320a and MCL 257.629c] within a 2-year period for any violation not listed under [MCL 257.732a(2)] shall be assessed a $100.00 driver responsibility fee. For each additional point accumulated above 7 points not listed under [MCL 257.732a(2)], an additional fee of $50.00 shall be assessed. The secretary of state shall collect the fees described in [MCL 257.732a(1)] once each year that the point total on an individual driving record is 7 points or more. This subsection is subject to [MCL 257.732a(11)].” MCL 257.732a(1).

B. **Conviction of Enumerated Offenses**

“An individual, whether licensed or not, who violates any of the following sections or another law or local ordinance that substantially corresponds to those sections shall be assessed a driver responsibility fee as follows:

(a) Subject to [MCL 257.732a(10) and MCL 257.732a(11)], upon posting an abstract indicating that an individual has been found guilty for a violation of law listed or described in this subdivision, the secretary of state shall assess a $1,000.00 driver responsibility fee each year for 2 consecutive years:

(i) Manslaughter, negligent homicide, or a felony resulting from the operation of [an] . . . ORV[] or snowmobile.

***

(iii) . . . [MCL 324.81134].

(iv) Failing to stop and disclose identity at the scene of an accident when required by law.

---

6 See Section 3.32 for more information on operating a snowmobile while visibly impaired.

7 Driver responsibility fees are phased out and will no longer be assessed after October 1, 2018. See 2018 PA 50. See Section 1.6(C) for more information on the driver responsibility fee sunset provisions.
(v) Fleeing or eluding an officer.” MCL 257.732a(2)(a).

“The driver responsibility ‘fees’ imposed by MCL 257.732a(2)(a) . . . do not violate the double jeopardy or the equal protection guarantees of the United States and Michigan constitutions[,]” Dawson v Secretary of State, 274 Mich App 723, 748 (2007) (opinion by WILDER, P.J.); see also id. (B.K. ZAHRA, J., concurring).

The other driver responsibility fee provisions listed in MCL 257.732a apply to MVC offenses and are outside the scope of this benchbook.

C. Sunset Provisions

2018 PA 50 amended MCL 257.732a to eliminate the assessment of driver responsibility fees by October 1, 2018. MCL 257.732a(1)-(2) are subject to MCL 257.732a(10), which requires the reduction of fees collected each year until fees are completely eliminated, and MCL 257.732a(11), which addresses outstanding driver responsibility fees and certain individuals whose license has been suspended under MCL 257.904(10).

1. MCL 257.732a(10)(a): Elimination of Fees Assessed and Collected Under MCL 257.732a(1)

MCL 257.732a(10)(a) states:

“(10) Subject to [MCL 257.732a(4) and MCL 257.732a(11)], a driver responsibility fee shall be assessed and collected under [MCL 257.732a] as follows:

(a) For an individual who accumulates 7 or more points on his or her driving record beginning on the following dates, a fee assessed under [MCL 257.732a(1)] shall be reduced as follows:

(i) Beginning October 1, 2015, the assessment shall be 75% of the fee calculated under [MCL 257.732a(1)].

(ii) Beginning October 1, 2016, the assessment shall be 50% of the fee calculated under [MCL 257.732a(1)].

(iii) Beginning October 1, 2018, no fee shall be assessed under [MCL 257.732a(1)].” (Emphasis added).
2. **MCL 257.732a(10)(b): Elimination of Fees Assessed and Collected Under MCL 257.732a(2)(a) or MCL 257.732a(2)(b)**

MCL 257.732a(10)(b) states:

“(10) Subject to [MCL 257.732a(4) and MCL 257.732a(11)], a driver responsibility fee shall be assessed and collected under [MCL 257.732a] as follows:

***

(b) A fee assessed under [MCL 257.732a(2)(a) or MCL 257.732a(2)(b)] shall be reduced as follows:

(i) For a violation that occurs on or after October 1, 2015, 100% of the fee shall be assessed for the first year and 50% for the second year.

(ii) For a violation that occurs on or after October 1, 2016, 100% of the fee shall be assessed for the first year and no fee shall be assessed for the second year.

(iii) Beginning October 1, 2018, no fee shall be assessed under [MCL 257.732a(2)(a) or MCL 257.732a(2)(b)].” (Emphasis added).

3. **MCL 257.732a(11): Outstanding Driver Responsibility Fees and Certain Suspended Licenses**

MCL 257.732a(11) states:

“(11) Beginning September 30, 2018, all of the following apply:

(a) Any outstanding driver responsibility fee assessed under [MCL 257.732a] shall not be collected.

(b) An individual is not liable for any outstanding driver responsibility fee assessed under [MCL 257.732a] or responsible for completing workforce training under [MCL 257.732b].

(c) An individual whose driving privileges were suspended under [MCL 257.732a] or an individual

whose driving privileges were suspended under [MCL 257.904(10)], if that suspension arose out of the unlawful operation of a motor vehicle or a moving violation reportable under [MCL 257.732] while his or her driving privileges were suspended under [MCL 257.732a], is eligible to reinstate his or her operator’s license if he or she is otherwise in compliance with [the Michigan Vehicle Code (MVC), MCL 257.1 et seq].”

D. Required Notice

“The secretary of state shall send a notice of the driver responsibility assessment, as prescribed under [MCL 257.732a(1) or MCL 257.732a(2)], to the individual by regular mail to the address on the records of the secretary of state. If payment is not received within 30 days after the notice is mailed, the secretary of state shall send a second notice that indicates that if payment is not received within the next 30 days, the driver’s driving privileges will be suspended.” MCL 257.732a(3).

“Except as otherwise provided in this subsection or [MCL 257.732b], if payment is not received or an installment plan is not established after the time limit required by the second notice prescribed under [MCL 257.732a(3)] expires, the secretary of state shall suspend the driving privileges until the assessment and any other fees prescribed under [the MVC] are paid. However, if the individual’s license to a motor vehicle is not otherwise required under [the MVC] to be denied, suspended, or revoked, the secretary of state shall reinstate the individual’s operator’s driving privileges if the individual requests an installment plan under [MCL 257.732a(4)] and makes proper payment under that plan. Fees required to be paid for the reinstatement of an individual’s operator’s driving privileges as described under this subsection shall, at the individual’s request, be included in the amount to be paid under the installment plan. If the individual establishes a payment plan as described in this subsection and [MCL 257.732a(4)] but the individual fails to make full or timely payments under that plan, or enters into workforce training under [MCL 257.732b] but fails to successfully complete that service within the 45-day period allowed, or withdraws from workforce training with or without good cause shown, the secretary of state shall suspend the individual’s driving privileges. The secretary of state shall only reinstate a license under this subsection once.” MCL 257.732a(5).
1.7 Felony Sentencing

Previously, sentencing courts were generally required to either impose a minimum sentence within the appropriate minimum range as calculated under the sentencing guidelines, MCL 769.34(2), or to articulate “a substantial and compelling reason” to depart from that range, MCL 769.34(3). However, in 2015, the Michigan Supreme Court, applying Alleyne v United States, 570 US 99 (2013), and Apprendi v New Jersey, 530 US 466 (2000), held that “Michigan’s sentencing guidelines . . . [are] constitutionally deficient[. . .] to the extent [that they] . . . require judicial fact-finding beyond facts admitted by the defendant or found by the jury to score offense variables (OVs) that mandatorily increase the floor of the guidelines minimum sentence range[.]” People v Lockridge, 498 Mich 358, 364 (2015), rev’g in part 304 Mich App 278 (2014) and overruling People v Herron, 303 Mich App 392 (2013). “To remedy the constitutional violation,” the Lockridge Court “sever[ed] MCL 769.34(2) to the extent that it is mandatory” and “[struck] down the requirement of a ‘substantial and compelling reason’ to depart from the guidelines range in MCL 769.34(3)[.]” further holding that although “a sentencing court must determine the applicable guidelines range and take it into account when imposing a sentence[,]” the legislative sentencing guidelines “are advisory only.” Lockridge, 498 Mich at 364-365, 391, 399 citing United States v Booker, 543 US 220, 233, 264 (2005) (emphasis supplied). “[T]he legislative sentencing guidelines are advisory in every case, regardless of whether the case actually involves judicial fact-finding.” People v Rice (Anthony), 318 Mich App 688, 692 (2017). See also People v Steanhouse, 500 Mich 453, 466 (2017) (reaffirming “Lockridge’s remedial holding rendering the guidelines advisory in all applications”). Lockridge does not apply retroactively for purposes of collateral review under MCR 6.500 (motion for relief from judgment). People v Barnes, 502 Mich 265, 268 (2018).

When sentencing a defendant, the trial court’s objective is to tailor a penalty that is appropriate to the seriousness of the offense and the criminal history of the offender. People v Rice (Benjamin) (On Remand), 235 Mich App 429, 445 (1999). The “framework” of an appropriate sentence consists of four basic considerations:

- the likelihood or potential that the offender could be reformed;
- the need to protect society;
- the penalty or consequence appropriate to the offender’s conduct; and

• the goal of deterring others from similar conduct.

A. Calculating the Minimum Sentence Range

While the legislative sentencing guidelines are advisory, “a sentencing court must determine the applicable guidelines range and take it into account when imposing a sentence.” Lockridge, 498 Mich at 365. The recommended minimum sentence range for an offense to which the sentencing guidelines apply is determined by scoring the appropriate offense variables (OVs) and prior record variables (PRVs) for a specific conviction. MCL 777.21. All felony offenses to which the sentencing guidelines apply fall into one of six offense categories called crime groups, and each crime group is further organized into crime classes that indicate the severity of the offense. See MCL 777.5 and MCL 777.21(1)(c). An offense’s crime class determines which sentencing grid must be used when determining an offender’s recommended minimum sentence range. See MCL 777.61 to MCL 777.69. The crime group an offense falls into dictates which OVs must be scored for that offense and how those variables must be scored. People v Bonilla-Machado, 489 Mich 412, 422 (2011). For cases involving recreational vehicles, OVs (degree of negligence exhibited) and (operator ability affected by alcohol/drugs) contain offense characteristics specific to offenses involving “the operation of a vehicle, vessel, ORV, snowmobile, aircraft, or locomotive.” MCL 777.22(1); MCL 777.22(5).

The rule of Apprendi, 530 US at 490 (“[o]ther than the fact of a prior conviction, any fact that increases the penalty for a crime beyond the prescribed statutory maximum must be submitted to a jury, and proved beyond a reasonable doubt”), does not apply to prior convictions and therefore presumably does not implicate the scoring of prior record variables under Michigan’s sentencing guidelines. See Alleyne, 570 US at 111 n 1 (noting that “[i]n

10There are six crime groups: crimes against a person, crimes against property, crimes involving a controlled substance, crimes against public order, crimes against public trust, and crimes against public safety. MCL 777.5(a)-(f).

11An offense’s crime class is designated by the letters A through H and M2 (second-degree murder). The crime class determines which sentencing grid applies to the sentencing offense. MCL 777.21(1)(c).

12In contrast to OVs, PRVs are scored based on the severity of prior convictions, and are scored for every offense regardless of the offense’s crime group or class. People v Peltola, 489 Mich 174, 187 (2011). See the Michigan Judicial Institute’s Criminal Proceedings Benchbook, Vol. 2, Chapter 3, for detailed information about PRVs.

13MCL 777.22 sets forth a complete list of the OVs that must be scored for each crime group. For a complete discussion of the OVs applicable to a particular crime, see the Michigan Judicial Institute’s Criminal Proceedings Benchbook, Vol. 2, Chapter 3.
Almendarez–Torres v United States, [523 US 224 (1998)], [the United States Supreme Court] recognized a narrow exception to [the] general rule [of Apprendi] for the fact of a prior conviction[;]” the Alleyne Court declined to revisit Almendarez-Torres “[b]ecause the parties [did] not contest that decision’s vitality[;]”; see also, generally, Lockridge, 498 Mich at 370 n 12.

B. Departures\textsuperscript{14}

Rather than adhering to MCL 769.34(3) and articulating a substantial and compelling reason for a departure, “[w]hen a defendant’s sentence is calculated using a guidelines minimum sentence range in which OVs have been scored on the basis of facts not admitted by the defendant or found beyond a reasonable doubt by the jury, the sentencing court may exercise its discretion to depart from that guidelines range without articulating substantial and compelling reasons for doing so.” Lockridge, 498 Mich at 391-392. “A sentence that departs from the applicable guidelines range will be reviewed by an appellate court for reasonableness[, and] . . . [r]esentencing will be required when a sentence is determined to be unreasonable.” \textit{Id.} at 392, citing Booker, 543 US at 261. “[S]entencing courts must justify the sentence imposed in order to facilitate appellate review.” Lockridge, 498 Mich at 392. Appellate courts review the reasonableness of a sentence for an abuse of discretion “informed by the ‘principle of proportionality’ standard” set forth in People v Milbourn, 435 Mich 630, 636 (1990). People v Steanhouse, 500 Mich 453, 476 (2017). The principle of proportionality requires “sentences imposed by the trial court to be proportionate to the seriousness of the circumstances surrounding the offense and the offender.” \textit{Id.}, quoting Milbourn, 435 Mich at 636. See also Steanhouse, 500 Mich at 460, 472, quoting Milbourn, 435 Mich at 661 (“the key test is whether the sentence is proportionate to the seriousness of the matter, not whether it departs from or adheres to the guidelines’ recommended range[ ]”).

1.8 Minimum State Costs for Felony Offenses

If a court orders a defendant convicted of a felony to pay any combination of a fine, costs, or assessments, the court must order the defendant to pay state minimum costs of not less than $68.00. MCL 769.1j(1)(a). The costs imposed under MCL 769.1j(1)(a) constitute a tax, and this tax does not violate the separation of powers requirement under Const 1963, art 3, § 2 or the requirement of Const 1963, art 4, § 32 that

\textsuperscript{14}See the Michigan Judicial Institute’s Criminal Proceedings Benchbook, Vol. 2, Chapter 6, for detailed information about sentence departures.
“[e]very law which imposes, continues or revives a tax shall distinctly state the tax.” People v Shenoskey, 320 Mich App 80, 83-84 (2017) (applying the analysis of MCL 769.1k(1)(b)(iii) in People v Cameron, 319 Mich App 215 (2017) to MCL 769.1j(1)(a) because the statutes are “closely related”). Payment of the state minimum costs must be included as a condition of the defendant’s probation. MCL 771.3(1)(g); MCL 769.1j(3). “The court shall not sentence a defendant to a term of incarceration, nor revoke probation, for failure to comply with an order to pay money unless the court finds, on the record, that the defendant is able to comply with the order without manifest hardship and that the defendant has not made a good-faith effort to comply with the order.” MCR 6.425(E)(3)(a). MCR 6.425(E)(3) also addresses payment alternatives and offers guidance for determining manifest hardship. For a detailed discussion of MCR 6.425(E)(3), see the Michigan Judicial Institute’s Criminal Proceedings Benchbook Vol. 2, Chapter 9.

1.9 Costs

MCL 769.1k(1)(b)(ii) provides that, at the time of sentencing or a delay in sentencing or entry of a deferred judgment of guilt, a court may impose “[a]ny cost authorized by the statute for a violation of which the defendant entered a plea of guilty or nolo contendere or the court determined that the defendant was guilty.” Effective October 17, 2014, 2014 PA 352 amended MCL 769.1k in response to the Michigan Supreme Court’s holding in People v Cunningham (Cunningham II), 496 Mich 145 (2014), rev’g 301 Mich App 218 (2013) and overruling People v Sanders (Robert) (After Remand), 298 Mich App 105 (2012), and People v Sanders (Robert), 296 Mich App 710 (2012). In Cunningham II, the Court held that MCL 769.1k(1)(b)—which, at the time, provided for the imposition of “[a]ny cost in addition to the minimum state cost”—did “not provide courts with the independent authority to impose ‘any cost[,]’” rather, it “provide[d] courts with the authority to impose only those costs that the Legislature has separately authorized by statute.” Cunningham II, 496 Mich at 147, 158 (concluding that “[t]he circuit court erred when it relied on [former] MCL 769.1k(1)(b)(ii) as independent authority to impose $1,000 in court costs[.]”). 2014 PA 352, in addition to making other revisions to MCL 769.1k, added MCL 769.1k(1)(b)(iii) to provide for the imposition of “any cost reasonably related to the actual costs incurred by

15Note that “[t]he court shall not sentence a defendant to a term of incarceration . . . for failure to comply with an order to pay money unless the court finds, on the record, that the defendant is able to comply with the order without manifest hardship and that the defendant has not made a good-faith effort to comply with the order.” MCR 6.425(E)(3)(a). MCR 6.425(E)(3) also addresses payment alternatives and offers guidance for determining manifest hardship. For a detailed discussion of MCR 6.425(E)(3), see the Michigan Judicial Institute’s Criminal Proceedings Benchbook Vol. 2, Chapter 9.

16The amended version of MCL 769.1k does not violate a defendant’s due process or equal protection rights, nor does it violate the constitutional prohibition on ex post facto punishments or the principle of separation of powers. People v Konopka, 309 Mich App 345, 365, 367-70, 376 (2015).
the trial court[.].” The amendments effectuated by 2014 PA 352 “appl[y] to all fines, costs, and assessments ordered or assessed under . . . MCL 769.1k[.] before June 18, 2014, and after [October 17, 2014].” 2014 PA 352, enacting section 1 (emphasis supplied).

“MCL 769.1k(1)(b)(iii) independently authorizes the imposition of costs in addition to those costs authorized by the statute for the sentencing offense[,]” and “[a] trial court possesses the authority, pursuant to MCL 769.1k, as amended by 2014 PA 352, to order court costs[.]” People v Konopka, 309 Mich App 345, 350, 358 (2015). “However, although the costs imposed . . . need not be separately calculated, . . . the trial court [must] . . . establish a factual basis[.]” demonstrating that “the court costs imposed [are] ‘reasonably related to the actual costs incurred by the trial court[.]’” Konopka, 309 Mich App at 359, quoting MCL 769.1k(1)(b)(iii). The imposition of court costs under MCL 769.1k(1)(b)(iii) is a tax, rather than a governmental fee, and it must therefore comply with the Distinct-Statement Clause and the separation-of-powers doctrine. People v Cameron, 319 Mich App 215, 236 (2017). “[A]lthough it imposes a tax, MCL 769.1k(1)(b)(iii) is not unconstitutional[.]” Cameron, 319 Mich App at 218.17

MCL 769.34(6) addresses the sentencing guidelines and the duties of the court when sentencing, and it generally authorizes the court to order court costs (“As part of the sentence, the court may also order the defendant to pay any combination of a fine, costs, or applicable assessments.”). However, “MCL 769.34(6) allows courts to impose only those costs or fines that the Legislature has separately authorized by statute[.]” and “does not provide courts with the independent authority to impose any fine or cost.” Cunningham II, 496 Mich at 158 n 11.18

1.10 Restitution

Restitution is mandatory for an offender convicted of a felony, misdemeanor, or ordinance violation. MCL 769.1a(2); MCL 780.766(2); MCL 780.794(2); MCL 780.826(2). Restitution is also mandatory “[f]or an offense that is resolved by assignment of the defendant to youthful

18For a more in-depth discussion of costs, see the Michigan Judicial Institute’s Criminal Proceedings Benchbook, Vol. 2, Chapter 9.

19Note that “[t]he court shall not sentence a defendant to a term of incarceration . . . for failure to comply with an order to pay money unless the court finds, on the record, that the defendant is able to comply with the order without manifest hardship and that the defendant has not made a good-faith effort to comply with the order.” MCR 6.425(E)(3)(a). MCR 6.425(E)(3) also addresses payment alternatives and offers guidance for determining manifest hardship. trainee status, by a delayed sentence or deferred judgment of guilt, or in another way that is not an acquittal or unconditional dismissal[.]” MCL 780.766(2); MCL 780.826(2). See also MCL 780.794(2), which also requires the court to order restitution “[f]or an offense that is resolved informally by means of a consent calendar diversion or by another informal method that does not result in a dispositional hearing[.]” See the Michigan Judicial Institute’s Crime Victim Rights Benchbook, Chapter 8, for detailed information about restitution.

### 1.11 Mens Rea Standard

Effective December 22, 2015, 2015 PA 250 added MCL 8.9 to provide a default mens rea standard applicable to certain20 crimes committed on or after January 1, 2016. MCL 8.9 also provides that “[i]t is not a defense to a crime that the defendant was, at the time the crime occurred, under the influence of or impaired by a voluntarily and knowingly consumed alcoholic liquor, drug, including a controlled substance, other substance or compound, or combination of alcoholic liquor, drug, or other substance or compound. However, it is an affirmative defense to a specific intent crime, for which the defendant has the burden of proof by a preponderance of the evidence, that he or she voluntarily ingested a legally obtained and properly used medication or other substance and did not know and reasonably should not have known that he or she would become intoxicated or impaired.” MCL 8.9(6).

For a more detailed discussion of MCL 8.9, see the Michigan Judicial Institute’s Criminal Proceedings Benchbook, Vol. 1, Chapter 10.

20 As relevant to this benchbook, MCL 8.9 “does not apply to, and shall not be construed to affect, crimes under . . . [t]he Michigan [P]enal [C]ode, . . . MCL 750.1 to [MCL] 750.568.” MCL 8.9(7)(d).

Part A—An Overview of the ORV Act

2.1 Introduction

The Off-Road Vehicle Act (ORV Act) is codified as Part 811 of the Natural Resources and Environmental Protection Act (NREPA). MCL 324.81101 et seq.

“All forest roads shall be open to ORV use as provided in [MCL 324.72118]. All other state owned land under the jurisdiction of the [Department of Natural Resources (DNR)] shall be closed to ORV use except the following:

(a) Designated roads that are not forest roads.

(b) Designated trails.

(c) Designated areas.” MCL 324.81127(1).

“Copies of maps of trails shall be prepared and made available by the [DNR] in sufficient quantities to accompany each ORV certificate of title issued by the secretary of state and to place in each county sheriff’s office and each [DNR] field office.” MCL 324.81123(5). Maps of ORV trails are also available at: www.michigan.gov/dnr/0,1607,7-153-10365_15070-38330--,00.html.

2.2 Assumption of Risks When Participating in Sport of ORV Riding

“Each person who participates in the sport of ORV riding accepts the risks associated with that sport insofar as the dangers are inherent. Those risks include, but are not limited to, injuries to persons or property that can result from variations in terrain; defects in traffic lanes; surface or subsurface snow or ice conditions; bare spots; rock, trees, and other forms of natural growth or debris; and collisions with fill material, decks, bridges, signs, fences, trail maintenance equipment, or other ORVs. Those risks do not include injuries to persons or property that result from

2MCL 324.72118 requires the DNR to inventory forest roads that are state roads which, beginning when the inventory for a region is completed or required to be completed, whichever occurs first, will be open to motorized use by the public unless designated otherwise by an order of the DNR under MCL 324.504. However, forest roads in Michigan’s Upper Peninsula will be open to motorized use by the public unless designated otherwise by an order of the DNR under MCL 324.504, MCL 324.72118(2)(a). The DNR is also required to annually post to its website the total miles of forest roads open to motorized use in all inventoried regions. MCL 324.72118(3).
the use of an ORV by another person in a careless or negligent manner likely to endanger person or property. When an ORV is operated in the vicinity of a railroad right-of-way, each person who participates in the sport of ORV riding additionally assumes risks including, but not limited to, entanglement with railroad tracks, switches, and ties and collisions with trains and train-related equipment and facilities.” MCL 324.81133(3).

2.3 ORV Operation on State-Owned Lands

“State Forest Lands: ORV restrictions vary by location.

• **Upper Peninsula:** ORV operation is permitted on designated trails and forest roads in the Upper Peninsula unless posted as closed.

• **Lower Peninsula:** ORV operation is permitted on all designated trails, designated areas, and designated routes (forest roads that are designated for ORV use) in the Lower Peninsula.

• **Statewide:** ORV use on designated trails is limited to vehicles not more than 50 inches in width. Off-trail or off-route operation outside of a designated area is prohibited except for hunters operating an ORV at speeds of 5 mph or less for the purpose of removing deer, bear, or elk. ORV operation on designated routes is open to all ORVs.

**State Game Areas:** All motorized vehicle operation is prohibited except on established roads open to the public. ORVs are specifically prohibited. These areas are found primarily in the southern third of Michigan.

2.4 State-Owned Land Use Rules

Committee Tip: Many DNR officers issue ORV tickets under the following State Land Use Rules when offenders are operating their ORVs in closed areas on state land instead of issuing a complaint for a misdemeanor under MCL 324.81133(1)(d).

A. Unlawful Acts Generally

“On land owned or under the control of the [DNR], it is unlawful to do any of the following:

(a) Enter, use, or occupy state-owned land for any purpose where posted against entry, use, or occupancy, as ordered by the [DNR].

(l) Park a vehicle of any type in an area posted as no parking; or, where a designated parking area exists, to park a vehicle of any type in an area other than the designated parking area. If a motor vehicle is found parked on state-owned land and is found to be in violation of this rule, the registered owner is prima facie responsible for the violation as defined in MCL 257.675c(1).

The land use rules discussed in this section are limited to those rules that may directly or indirectly apply to ORV use. Other prohibited acts are outside the scope of this benchbook.

See Section 2.21 for more information on MCL 324.81133(1)(d).

(q) Use or operate any wheeled, motorized vehicle, except a PAMD, on state-owned land in the Lower Peninsula of this state, except on a designated route, a designated trail, or a designated area. A wheeled, motorized vehicle that is properly registered under [MCL 257.1 to MCL 257.923], may be operated on a forest road not otherwise posted as closed to the use of motorized vehicles. . . .” Mich Admin Code, R 299.922.

B. Unlawful Acts in Specified Areas

“In addition to the unlawful acts specified in R 299.922, on state-owned land under the control of the [DNR] other than state parks, recreation areas, game and wildlife areas, designated campgrounds, and public access sites, it is unlawful to do any of the following:

2.5 Provisions Related to Local Ordinances

A. Adopting Local Ordinances Authorizing Use of ORVs

MCL 324.81131 specifies the local units of government that may authorize the operation of ORVs and under what circumstances.

MCL 324.81131 provides, in relevant part: 5

“(1) A municipality may pass an ordinance allowing a permanently disabled person to operate an ORV in that municipality.

(2) Subject to [MCL 324.81131(4)], a county board of commissioners may adopt an ordinance authorizing the operation of ORVs on 1 or more county roads located within the county. . . .

5 For more information on the requirements for adopting a proposed ordinance, see MCL 324.81131 in its entirety.
(3) Subject to [MCL 324.81131(4)], the legislative body of a township or municipality may adopt an ordinance authorizing the operation of ORVs on 1 or more county roads located within the township or municipality, respectively. . . . [MCL 324.81131(3)] does not apply to a township or municipality until 1 year after the effective date of the amendatory act that first authorized the county in which that township or municipality is located to adopt an ordinance under [MCL 324.81131(2)].

***

(5) The legislative body of a municipality may adopt an ordinance authorizing the operation of ORVs on 1 or more streets within the municipality.

(6) The legislative body of a local unit of government may request the state transportation department to authorize the local unit of government to adopt an ordinance authorizing the operation of ORVs on a highway, other than an interstate highway, located within the local unit of government. . . . A county may submit a request for authorization under this subsection on behalf of 1 or more local units of government located within that county if requested by those local units of government. Before January 1, 2015, the state transportation department may authorize the operation of ORVs on a highway as provided in this subsection and [MCL 324.81131(7)] on the department’s initiative and without having received a request from a local unit of government.

(7) The state transportation department shall authorize operation of an ORV under [MCL 324.81131(6)] only on a highway that is not an interstate highway and that meets 1 or more of the following requirements:

(a) Serves as a connector between ORV areas, routes, or trails designated by the [DNR] or an ORV user group.

(b) Provides access to tourist attractions, food service establishments, fuel, motels, or other services.

(c) Serves as a connector between 2 segments of the same county road that run along discontinuous town lines and on which ORV use is authorized
pursuant to [MCL 324.81131(2) or MCL 324.81131(3)].

(d) Includes a bridge or culvert that allows an ORV to cross a river, stream, wetland, or gully that is not crossed by a street or county road on which ORVs are authorized to operate under [MCL 324.81131(2), MCL 324.81131(3), or MCL 324.81131(5)]."

B. Closing County Roads and Highways to ORVs

1. County Roads

“The board of county road commissioners may close a county road to the operation of ORVs otherwise authorized pursuant to [MCL 324.81131(2) or MCL 324.81131(3)].” MCL 324.81131(4). However, “[a] county road may be closed to the operation of ORVs under [MCL 324.81131(4)] only to protect the environment or if the operation of ORVs poses a particular and demonstrable threat to public safety.” Id.

“A county road commission shall not under [MCL 324.81131(4)] close more than 30% of the linear miles of county roads located within the county to the operation of ORVs otherwise authorized pursuant to [MCL 324.81131(2) or MCL 324.81131(3)].” MCL 324.81131(4). “The legislative body of a township or municipality may adopt an ordinance to close a county road located in the township or municipality to the operation of ORVs otherwise authorized pursuant to [MCL 324.81131(2)].” MCL 324.81131(4). “The legislative body of a village may adopt an ordinance to close a county road located in the village to the operation of ORVs otherwise authorized by the township pursuant to [MCL 324.81131(3)].” MCL 324.81131(4).

2. Highways

“The state transportation department may close a highway to the operation of ORVs otherwise authorized pursuant to [MCL 324.81131(6)] after written notice to the clerk of each local unit of government where the highway is located and the senate and house committees with primary responsibility for natural resources, recreation, and transportation.” MCL 324.81131(8). “The notice shall be in writing and sent by first-class United States mail or personally delivered not less than 30 days before the adoption of the rule or order closing the highway.” Id. “The notice shall set forth specific reasons for the closure.” Id.
C. Operating an ORV After Adoption of Local Ordinance

MCL 324.81131(12) and MCL 324.81131(13) govern the operation of an ORV under any provision of MCL 324.81131:

“(12) A person shall not operate an ORV as authorized pursuant to [MCL 324.81131] without displaying a lighted headlight and lighted taillight.

(13) A person under 18 years of age shall not operate an ORV as authorized pursuant to [MCL 324.81131] unless the person is in possession of a valid driver license or under the direct supervision of a parent or guardian and the person has in his or her immediate possession an ORV safety certificate issued pursuant to [MCL 324.81101 et seq.,] or a comparable ORV safety certificate issued under the authority of another state or a province of Canada. A person under 12 years of age shall not operate an ORV as authorized pursuant to [MCL 324.81131]. The requirements of this subsection are in addition to any applicable requirements of [MCL 324.81129].”

In addition, MCL 324.81131 contains provisions governing the operation of ORVs that apply only in certain instances:

“(9) Subject to [MCL 324.81131(4)], if a local unit of government adopts an ordinance pursuant to [MCL 324.81131(2), MCL 324.81131(3), or MCL 324.81131(5)], a person may operate an ORV with the flow of traffic on the far right of the maintained portion of the street or county road covered by the ordinance. If the operation of ORVs on a highway is authorized pursuant to [MCL 324.81131(6)], a person may operate an ORV with the flow of traffic as follows:

(a) On the right shoulder of the highway.

(b) If there is not a right shoulder or the right shoulder is not of adequate width, on the right unmaintained portion of the highway.

(c) On the far right of the right traffic lane of the highway, if necessary to cross a bridge or culvert and if the operator brings the ORV to a complete stop before entering and yields the right-of-way to an approaching vehicle on that traffic lane.

(10) A person shall not operate an ORV as authorized pursuant to [MCL 324.81131(2), MCL 324.81131(3), MCL
324.81131(5), or MCL 324.81131(6)] at a speed greater than 25 miles per hour or a lower posted ORV speed limit or in a manner that interferes with traffic on the street, county road, or highway.

(11) Unless the person possesses a license as defined in . . MCL 257.25, a person shall not operate an ORV as authorized pursuant to [MCL 324.81131(2), MCL 324.81131(3), MCL 324.81131(5), or MCL 324.81131(6)] if the ORV is registered as a motor vehicle under [MCL 257.201 to MCL 257.259], and either is more than 65 inches wide or has 3 wheels. ORVs operated as authorized pursuant to [MCL 324.81131(2), MCL 324.81131(3), MCL 324.81131(5), or MCL 324.81131(6)] shall travel single file, except that an ORV may travel abreast of another ORV when it is overtaking and passing, or being overtaken and passed by, another ORV.”

D. Limited Duty to Maintain Surfaces Where ORVs are Authorized to Operate

A duty to maintain the surface on which an ORV may be operated exists in certain limited circumstances:

“A township that has authorized the operation of ORVs on a county road under [MCL 324.81131(3)] does not have a duty to maintain the maintained portion or unmaintained portion of the county road in a condition reasonably safe and convenient for the operation of ORVs. [Michigan] does not have a duty to maintain a highway in reasonable repair so that it is reasonably safe and convenient for the operation of ORVs except ORVs registered and operated as motor vehicles as provided in the [Michigan Vehicle Code (MVC), MCL 257.1 et seq.] A board of county road commissioners, a county board of commissioners, or a municipality does not have a duty to maintain the maintained portion or unmaintained portion of a county road or street under its jurisdiction in a condition reasonably safe and convenient for the operation of ORVs, except the following ORVs:

(a) ORVs registered and operated as motor vehicles as provided in [the MVC].

(b) ORVs operated as authorized pursuant to [MCL 324.81131(1)].” MCL 324.81131(14).
E. Governmental Immunity

Governmental immunity may exist in certain circumstances:

“Subject to . . . MCL 691.1405, [Michigan], a board of county road commissioners, a county board of road commissioners, and a local unit of government are immune from tort liability for injuries or damages sustained by any person arising in any way out of the operation or use, on the maintained portion or unmaintained portion of a highway, road, or street, of an ORV that is not registered under the [MVC] or that is registered under the [MVC] but is operated as authorized pursuant to [MCL 324.81131(2), MCL 324.81131(3), MCL 324.81131(5), or MCL 324.81131(6)]. The immunity provided by [MCL 324.81131(15)] does not apply to actions of an employee of [Michigan], an employee of a board of county road commissioners, an employee of a county board of commissioners, or an employee of a local unit of government that constitute gross negligence.” MCL 324.81131(15).

F. Penalties for Violating Local Ordinance or Rule

MCL 324.81131(17) and MCL 324.81131(19) prescribe penalties for violating certain portions of MCL 324.81131:

“(17) A violation of an ordinance described in [MCL 324.81131] is a municipal civil infraction. The ordinance may provide for a fine of not more than $500.00 for a violation of the ordinance. In addition, the court shall order the defendant to pay the cost of repairing any damage to the environment, a street, county road, or highway, or public property as a result of the violation.

***

(19) A person who violates a rule promulgated or order issued under [MCL 324.81131(6)] is responsible for a state civil infraction and may be ordered to pay a civil fine of not more than $500.00. In addition, the court shall order the defendant to pay the cost of repairing any damage to the environment, a highway, or public property as a result of the violation.”
2.6 Liability for Collisions Involving Unregistered ORV

An ORV operator may be considered prima facie negligent in operating an unregistered ORV that is involved in a collision:

“In a court action in [Michigan], if competent evidence demonstrates that a vehicle that is permitted to operate on a road, street, or highway pursuant to [the MVC] was in a collision on a roadway with an ORV that is not registered under [the MVC], the operator of the ORV shall be considered prima facie negligent.” MCL 324.81131(16).

2.7 Authority to Enforce the ORV Act

A. DNR Conservation Officers

“Conservation officers appointed by the [DNR] and trained and certified pursuant to [MCL 28.601 to MCL 28.615], are peace officers, and except as otherwise provided by law, are vested with all the powers, privileges, prerogatives, and immunities conferred upon peace officers as provided in [MCL 300.21 to MCL 300.22], and in the general laws of [Michigan].” MCL 324.1501.

“Except as otherwise provided by law, conservation officers appointed by the [DNR] have the same power to serve criminal process and to require aid in executing process as sheriffs, and are entitled to the same fees as sheriffs in performing those duties under [the NREPA], under [MCL 300.21 to MCL 300.22], and under the general laws of [Michigan].” MCL 324.1502.

B. Commissioned Park and Recreation Officers

“The [DNR] may commission park and recreation officers to enforce, on property regulated under [MCL 324.74101 et seq., (state parks)], rules promulgated by the [DNR] and orders issued by the [DNR] that are authorized in those rules, including, but not limited to, rules promulgated or orders issued under [MCL 324.504], and any laws of [Michigan] specified in those rules as enforceable by commissioned park and recreation officers.” MCL 324.1606(2).

“In performing those enforcement activities, commissioned park and recreation officers are vested with the powers, privileges, prerogatives, and immunities conferred upon peace officers under the laws of [Michigan].” MCL 324.1606(2).

“In addition to the limited arrest authority granted in [MCL 324.1606(2)], on property regulated under [MCL 324.74101 et seq.,
(state parks), a commissioned park and recreation officer may arrest an individual without a warrant if 1 or more of the following circumstances exist:

(a) In the presence of the park and recreation officer, the individual commits an assault or an assault and battery in violation of . . . MCL 750.81 and MCL 750.81a.

(b) The park and recreation officer has reasonable cause to believe that a felony has been committed and reasonable cause to believe that the individual has committed it.

(c) The park and recreation officer has received affirmative written or verbal notice from a law enforcement officer or agency that a peace officer possesses a warrant for the individual’s arrest.

* * *

(e) The person violates . . . [MCL 324.81101 et seq.] . . .” MCL 324.1606(3).

“If a conservation officer or a park and recreation officer commissioned under [MCL 324.1606(2)] arrests a person without warrant for a minor offense committed in the officer’s presence, instead of immediately bringing the person for arraignment by the court having jurisdiction, the officer may issue to and serve upon the person an appearance ticket as authorized by [MCL 764.9c to MCL 764.9g].” MCL 324.1606(6).

C. Law Enforcement Officers

“Law enforcement officers may issue appearance tickets for violations of [MCL 324.81101 et seq.], pursuant to [MCL 764.9a to MCL 764.9g].” MCL 324.81145(1).

D. State Forest Officers

2.8 Enforcement of the ORV Act on Federal Property

The ORV Act is enforced in the three national forests in Michigan. This includes titling, licensing, equipment requirements, and general operating restrictions. In cases of individuals operating an ORV in a
closed area, road, or trail, the offense cited will typically be MCL 324.81133(1)(q), operating in a manner contrary to operating regulations on public lands. Michigan conservation officers are the primary enforcing agency of the Act on these lands. Law enforcement officers and other staff employed by the federal government are not authorized to enforce the Michigan ORV Act but may issue citations for violations of federal land use regulations.

A. Huron-Manistee National Forest

The Huron-Manistee National Forest is located in the northern portion of the Lower Peninsula.

“Motorized vehicles may only be operated on designated roads, trails or areas open to that use. To find what roads and trails are open to a particular use, visitors should obtain a Motor Vehicle Use Map.” United States Forest Service, Off Highway Vehicle (OHV) Riding & Camping, http://www.fs.usda.gov/activity/hmnf/recreation/ohv.

B. Hiawatha National Forest

The Hiawatha National Forest is located in the eastern and central portions of the Upper Peninsula.

C. Ottawa National Forest

The Ottawa National Forest is located in the northwest corner of the Upper Peninsula.

“The Ottawa National Forest has over 2,300 miles of Forest Service road and trail open to off-highway vehicles (OHVs). . . . Roads and trails designated as open to OHVs are open to vehicles 65 inches or less in width and utilizing off-road low pressure tires.” United States Forest Service, Ottawa National Forest, OHV Riding & Camping, http://www.fs.usda.gov/activity/ottawaforest/ohv.
2.9 Enforcement of the ORV Act on Private Property

Although enforcement of the ORV Act is generally permitted on private property, exceptions exist and are discussed throughout this chapter.

Committee Tip: The DNR Law Enforcement Division believes that the primary responsibility of Michigan’s conservation officers in the area of ORV enforcement is protecting natural resources and safeguarding the health and safety of individuals utilizing public lands for recreation. General enforcement of the ORV Act is focused on public lands. Conservation officers do enforce the ORV Act on private property when it is necessary to protect the safety and welfare of an individual in imminent danger (where a child is involved or there is a reasonable suspicion the operator is under the influence) or where damage is being done to public natural resources (damage to streams or regulated wetlands).

2.10 Rulemaking Authority of the DNR

A. ORV Safety Programs

“The [DNR] may promulgate rules to implement [MCL 324.81129(8), MCL 324.81129(9), MCL 324.81129(10), and MCL 324.81129(17)].” MCL 324.81129(11).

B. ORV Trail Systems

The DNR is authorized to promulgate rules to implement the state aid for recreational trails. See Mich Admin Code, R 257.1521 to R 257.1533.
C. Operation and Conduct of ORVs on the Frozen Surface of Public Waters

“The [DNR] may promulgate rules governing the operation and conduct of ORVs, vehicle speed limits, use of vehicles by day and hour, and the establishment and designation of areas within which vehicles may be used in a manner compatible with, and that will best protect, the public safety and general welfare on the frozen surface of public waters, and that will preserve the submerged marshlands adjacent to the borders of the Great Lakes, Lake St. Clair, and the navigable inland waters of the state.” MCL 324.81132(1).

D. Wrongful or Improper Use or Occupancy

“The [DNR] shall promulgate rules to protect and preserve lands and other property under its control from depredation, damage, or destruction or wrongful or improper use or occupancy.” MCL 324.504(1).

“The [DNR] shall issue orders necessary to implement rules promulgated under [MCL 324.504].” MCL 324.504(9). “The orders are effective upon posting.” Id.

“A person who violates a rule promulgated under [MCL 324.504] or an order issued under [MCL 324.504] is responsible for a state civil infraction and may be ordered to pay a civil fine of not more than $500.00.” MCL 324.504(14).

“If the [DNR] finds that rules are necessary to implement the regulatory provisions of [MCL 324.81101 et seq.,] or to clarify the intent of [MCL 324.81101 et seq.,], the [DNR] shall promulgate rules.” MCL 324.81124.

The administrative rules are available here.

2.11 Warrantless Arrest Under the ORV Act

“If a peace officer has reasonable cause to believe that a person was, at the time of an accident, the operator of an ORV involved in the accident and was operating the ORV while under the influence of an alcoholic liquor, a controlled substance as defined in . . . MCL 333.7104, or a combination of alcoholic liquor and a controlled substance, or was operating the ORV while his or her ability to operate an ORV was impaired due to the consumption of alcoholic liquor, a controlled substance, or a combination of alcoholic liquor and a controlled
substance, the peace officer may arrest the alleged operator of the ORV without a warrant.” MCL 324.81144.

2.12 Penalty Provisions in the ORV Act

A. General Penalty Provision

Except as otherwise provided, a person who violates the ORV Act is guilty of a misdemeanor punishable by:

- imprisonment for not more than 90 days;
- fine of not less than $50 or more than $1,000; or
- both. MCL 324.81147(1).

B. Restoration of Damaged Lands and Impounding and Seizure of ORVs

“In addition to the penalties otherwise provided under [MCL 324.81101 et seq.], a court of competent jurisdiction may order a person to restore, as nearly as possible, any land, water, stream bank, streambed, or other natural or geographic formation damaged by the violation of [MCL 324.81101 et seq.,] to the condition it was in before the violation occurred.” MCL 324.81147(5).

“The [DNR] or any other peace officer may impound the ORV of a person who commits a violation of [MCL 324.81101 et seq.,] that is punishable as a misdemeanor or who causes damage to the particular area in which the ORV was used in the commission of the violation.” MCL 324.81147(6).

“Upon conviction of a person for a violation described in [MCL 324.81147(6)], a court of competent jurisdiction may order the ORV and any personal property on the ORV seized as a result of the violation returned to the owner or, upon recommendation of the local prosecuting attorney, turned over to the [DNR].” MCL 324.81147(7). “An ORV or any other property turned over to the [DNR] under [MCL 324.81147(7)] shall be disposed of in the manner provided for condemnation of property in [MCL 324.1601 et seq.,]” MCL 324.81147(7). “The proceeds realized by the [DNR] under [MCL 324.81147(7)] shall first be used to restore areas damaged by ORV use, and any balance shall be deposited into the off-road vehicle account.” Id.
2.13 Costs and Minimum State Costs

MCL 769.1k(1)(b)(ii) (allowing the court to impose “[a]ny cost authorized by the statute for a violation of which the defendant entered a plea of guilty or nolo contendere or the court determined that the defendant was guilty[’]) does not provide courts with “the independent authority to impose costs upon criminal defendants.” People v Cunningham (Cunningham II), 496 Mich 145, 147 (2014), rev’d 301 Mich App 218 (2013) and overruling People v Sanders (Robert) (After Remand), 298 Mich App 105 (2012), and People v Sanders (Robert), 296 Mich App 710 (2012). Rather, it “provides courts with the authority to impose only those costs that the Legislature has separately authorized by statute.” Id. at 154. Effective October 17, 2014, 2014 PA 352 amended MCL 769.1k in response to the Michigan Supreme Court’s holding in Cunningham II. In Cunningham II, the Court held that MCL 769.1k(1)(b) — which, at the time, provided for the imposition of “[a]ny cost in addition to the minimum state cost” — did “not provide courts with the independent authority to impose ‘any cost[;]’” rather, it “provides courts with the authority to impose only those costs that the Legislature has separately authorized by statute.” Cunningham II, 496 Mich at 147, 158 (concluding that “[t]he circuit court erred when it relied on [former] MCL 769.1k(1)(b)(ii) as independent authority to impose $1,000 in court costs[’”). 2014 PA 352, in addition to making other revisions to MCL 769.1k, added MCL 769.1k(1)(b)(iii) to provide for the imposition of “any cost reasonably related to the actual costs incurred by the trial court[.]” The amendments effectuated by 2014 PA 352 “apply to all fines, costs, and assessments ordered or assessed under . . . MCL 769.1k[] before June 18, 2014, and after [October 17, 2014].” 2014 PA 352, enacting section 1 (emphasis supplied).

MCL 769.1k(1)(b)(iii) authorizes the imposition of costs independently of the statute for the sentencing offense, and “[a] trial court possessed the authority under MCL 769.1k, as amended by 2014 PA 352, to order [the] defendant to pay court costs.” People v Konopka (On Remand), 309 Mich App 345, 350, 358 (2015). “However, although the costs imposed [under MCL 769.1k(1)(b)(iii)] . . . need not be separately calculated, . . . the trial court [must] . . . establish a factual basis[’] demonstrating that “the court costs imposed [are] ‘reasonably related to the actual costs incurred by the trial court[.’]” Konopka (On Remand), 309 Mich App at 359-360, quoting MCL 769.1k(1)(b)(iii).

“If a defendant is determined to be responsible or responsible ‘with explanation’ for a state civil infraction, the judge or district court

---

8The amended version of MCL 769.1k does not violate a defendant’s due process or equal protection rights, nor does it violate the constitutional prohibition on ex post facto punishments or the principle of separation of powers. People v Konopka (On Remand), 309 Mich App 345, 361, 369-370, 376 (2015).

9This provision expires on October 17, 2020. See MCL 769.1k(1)(b)(iii).
magistrate may order the defendant to pay . . . costs as provided in [MCL 600.8827(3)].” MCL 600.8827(2). “In the order of judgment, the judge or district court magistrate may grant a defendant permission to pay . . . costs . . . within a specified period of time or in specified installments.” Id. “Otherwise, the . . . costs . . . are payable immediately.” Id.

“If a defendant is ordered to pay a civil fine under [MCL 600.8827(2)], the judge or district court magistrate shall summarily tax and determine the costs of the action, which are not limited to the costs taxable in ordinary civil actions and may include all expenses, direct and indirect, to which the plaintiff has been put in connection with the civil infraction, up to the entry of judgment.” MCL 600.8827(3). “Costs of not more than $500.00 shall be ordered.” Id.

“[I]f the court orders a person convicted of an offense to pay any combination of a fine, costs, or applicable assessments, the court shall order that the person pay costs of not less than the following amount, as applicable:

(a) $68.00, if the defendant is convicted of a felony.

(b) $50.00, if the defendant is convicted of a misdemeanor or ordinance violation.” MCL 769.1j(1). See also MCL 600.8381(4).

The costs imposed under MCL 769.1j(1)(a) constitute a tax, and this tax does not violate the separation of powers requirement under Const 1963, art 3, § 2 or the requirement of Const 1963, art 4, § 32 that “[e]very law which imposes, continues or revives a tax shall distinctly state the tax.” People v Shenoskey, 320 Mich App 80, 83-84 (2017) (applying the analysis of MCL 769.1k(1)(b)(iii) in People v Cameron, 319 Mich App 215 (2017) to MCL 769.1j(1)(a) because the statutes are “closely related”).

“Payment of the minimum state cost is a condition of probation under [MCL 771.1 et seq.]” MCL 769.1j(3). See also MCL 771.3(1)(g) (“[t]he probationer shall pay the minimum state cost prescribed by [MCL 769.1j]”).

### 2.14 Justice System Assessment

MCL 600.8727 applies to municipal civil infractions and requires the court to “order the defendant to pay a justice system assessment of
$10.00 “in addition to any fine or cost ordered to be paid under [MCL 600.8727(2)].” MCL 600.8727(4).

MCL 600.8827 applies to state civil infractions and requires the court to “order the defendant to pay a justice system assessment of $10.00” “in addition to any fine or cost ordered to be paid under [MCL 600.8827(2) or MCL 600.8827(3)].” MCL 600.8827(4).

2.16 Presumption That Owner Was Operator

“In a proceeding for a violation of [MCL 324.81101 et seq.], involving prohibited operation or conduct, the registration number or numbered decal or vehicle identification number displayed on an ORV shall constitute prima facie evidence that the owner of the vehicle was the person operating the vehicle at the time of the offense; unless the owner identifies the operator to law enforcement officials, the vehicle was reported as stolen at the time of the violation, or that the vehicle was stolen or not in use at the time of the violation.” MCL 324.81145(2).

A. Preliminary Chemical Breath Analysis (PBT)

1. Submitting to or Refusing a Preliminary Chemical Breath Analysis Test (PBT)

“A peace officer who has reasonable cause to believe that a person was operating an ORV and that the person by the consumption of alcoholic liquor may have affected his or her ability to operate the ORV, may require the person to submit to a [PBT].” MCL 324.81141(1). “A peace officer may arrest a person based in whole or in part upon the results of a [PBT].” MCL 324.81141(2).

“A person who submits to a [PBT] remains subject to the requirements of [MCL 324.81136–MCL 324.81140] for the purposes of chemical tests described in those sections.” MCL 324.81141(4).

“A person who refuses to submit to a [PBT] upon a lawful request by a peace officer is responsible for a state civil infraction and may be ordered to pay a civil fine of not more than $500.00.” MCL 324.81141(5).

or her blood, breath, or urine for the purpose of determining the amount of alcohol or presence of a controlled substance or both in his or her blood if:

(a) The person is arrested for a violation of [MCL 324.81134(1), MCL 324.81134(3), MCL 324.81134(4), MCL 324.81134(5), MCL 324.81134(6), or MCL 324.81134(7)] or a local ordinance substantially corresponding to [MCL 324.81134(1), MCL 324.81134(3), or MCL 324.81134(6)].

(b) The person is arrested for negligent homicide, manslaughter, or murder resulting from the operation of an ORV, and the peace officer has reasonable grounds to believe that the person was operating the ORV in violation of [MCL 324.81134].” MCL 324.81137(1).

“A person who is afflicted with hemophilia, diabetes, or a condition requiring the use of an anticoagulant under the direction of a physician shall not be considered to have given consent to the withdrawal of blood.” MCL 324.81137(2).

2. Advice

“A person who is requested pursuant to [MCL 324.81137(1)] to take a chemical test shall be advised of the right to refuse to submit to chemical tests; and if the person refuses the request of a peace officer to submit to chemical tests, a test shall not be given without a court order.” MCL 324.81138(1). See also MCL 324.81136(5) (requiring peace officer, upon refusal to take the test, to advise the arrested person that a test will not be given without a court order and that the person’s right to operate an ORV will be suspended). MCL 324.81136 also requires that a person arrested for a crime enumerated in MCL 324.81136(1) who submits to a chemical test “be given a reasonable opportunity to have a person of his or her own choosing administer 1 of the chemical tests . . . within a reasonable time after his or her detention, and the results of the test shall be admissible and shall be considered with other competent evidence in determining the defendants innocence or guilt[.]” MCL 324.81136(4). The defendant is responsible for obtaining a chemical analysis of the test sample when the defendant opts to have a chemical test administered by a person of his or her own choosing.21 Id.
3. Submitting to or Refusing a Chemical Test

“If a person refuses the request of a peace officer under [MCL 324.81137(1)] to submit to a chemical test, a written report shall be forwarded to the secretary of state by the peace officer.” MCL 324.81138(2). “The report shall state that the officer had reasonable grounds to believe that the person committed a violation described in [MCL 324.81137(1)] and that the person refused to submit to a chemical test upon the request of the peace officer and was advised of the consequences of the refusal.” MCL 324.81138(2).

a. Requesting a Hearing

“Upon receipt of a report made pursuant to [MCL 324.81138], the secretary of state shall immediately notify the person in a writing, mailed to the person’s last known address, that the report has been received and that within 14 days after the date of the notice the person may request an administrative hearing as provided in [MCL 324.81140].” MCL 324.81139(1). “The notice shall specifically state that failure to request a hearing within 14 days shall result in the suspension of the person’s right to operate an ORV and that the person is not required to retain counsel for the hearing, although counsel will be permitted to represent the person at the hearing.” MCL 324.81139(2).

“If a person who refuses to submit to a chemical test under [MCL 324.81138] does not request an administrative hearing within 14 days after the date of notice under [MCL 324.81139], the secretary of state shall suspend the person’s right to operate an ORV for a period of 1 year, or for a second or subsequent refusal within a period of 7 years, for 2 years.” MCL 324.81140(1).

If the person requests a hearing, MCL 324.81140(2)-(3) govern the procedures for that hearing. “After the

21However, the defendant cannot choose a specific analyst at the Michigan State Police (MSP) laboratory to administer the chemical test. See People v Green (Gregory), 310 Mich App 249, 255 (2015) (reversing the trial court’s order compelling the MSP laboratory to retest evidence at the defendant’s request and holding that MCL 257.625a(6), which provides the defendant with an identical right to independent testing in the context of motor vehicles, does not permit a defendant to choose a forensic scientist at the MSP laboratory to administer a chemical test because “there is no indication that the MSP laboratory . . . offers chemical testing services to private individuals or is able to bill for such services[]”). “[T]he trial court lacks authority to compel a state agency to perform services it does not offer.” Green (Gregory), 310 Mich App at 255. Further, “MCR 6.201(A)(6) does not provide the trial court with the authority to order the MSP to retest its own evidence. Rather, it merely provides the court with the authority to provide [the] defendant the opportunity to test any tangible physical evidence.” Green (Gregory), 310 Mich App at 256-257.
administrative hearing, if the person is found to have unreasonably refused to submit to a chemical test, the secretary of state shall suspend the person’s right to operate an ORV for a period of 1 year, or for a second or subsequent refusal within a period of 7 years, for 2 years.” MCL 324.81140(4).

b. Circuit Court Appeal

“Within 60 days after the final decision or order is issued by the hearing officer, the person may file a petition in the circuit court of the county in which the arrest was made to review the suspension. If after the hearing the person who requested the hearing prevails, the peace officer who filed the report under [MCL 324.81138] may, with the consent of the prosecuting attorney, file a petition in the circuit court of the county in which the arrest was made to review the determination of the hearing officer as provided in [MCL 324.81140b].” MCL 324.81140(4). “The scope of the court’s review shall be limited to the issues provided in . . . MCL 24.306.” MCL 324.81140(4).

Under MCL 24.306, “the court shall hold unlawful and set aside a decision or order of an agency if substantial rights of the petitioner have been prejudiced because the decision or order is any of the following:

(a) In violation of the constitution or a statute.
(b) In excess of the statutory authority or jurisdiction of the agency.
(c) Made upon unlawful procedure resulting in material prejudice to a party.
(d) Not supported by competent, material and substantial evidence on the whole record.
(e) Arbitrary, capricious or clearly an abuse or unwarranted exercise of discretion.
(f) Affected by other substantial and material error of law.” MCL 24.306(1).

“The court, as appropriate, may affirm, reverse or modify the decision or order or remand the case for further proceedings.” MCL 24.306(2). See the Michigan Judicial Institute’s Appeals & Opinions Benchbook, Chapter 2, for more information on administrative appeals.
A person aggrieved by a final determination of the secretary of state may petition for a review of the determination in the circuit court in the county where the person was arrested. MCL 324.81140b(1). Moreover, a peace officer who is aggrieved by a determination of a hearing officer in favor of a person who requested a hearing under MCL 324.81140 may, with the consent of the prosecuting attorney, petition for review of the determination in the circuit court in the county where the arrest was made. MCL 324.81140b(1). In both instances, the petition “shall be filed within 63 days after the determination is made except that, for good cause shown, the court may allow the petition to be filed within 182 days after the determination is made.” MCL 324.81140b(1).

After a Petition is Filed. “Except as otherwise provided in [MCL 324.81140b], the circuit court shall enter an order setting the cause for hearing for a day certain that is not more than 63 days after the date of the order. The order, a copy of the petition that includes the person’s full name, current address, birth date, and driver license number, and all supporting affidavits shall be served on the secretary of state’s office in Lansing not less than 20 days before the date set for the hearing. If the person is seeking a review of the record prepared under [MCL 324.81140], the service upon the secretary of state shall be made not less than 50 days before the date set for the hearing.” MCL 324.81140b(2).

At the hearing. “The court may take testimony and examine all the facts and circumstances incident to the order that the person not operate an ORV in this state. The court may affirm, modify, or set aside the order. 2.34 The Michigan Medical Marihuana Act and The Michigan Regulation and Taxation of Marihuana Act

“The Michigan Medical Marihuana Act (MMMA) prohibits the prosecution of registered patients who internally possess marijuana, but the act does not protect registered patients who operate a vehicle while ‘under the influence’ of marijuana.” People v Koon, 494 Mich 1, 3 (2013). Although the situation in Koon involved a motor vehicle and the Motor Vehicle Code’s (MVC) zero-tolerance provision, its discussion is included here as potentially relevant to a similar situation involving an ORV. See MCL 324.81134(1)(c), which contains language similar to MCL 257.625(8), the MVC’s zero-tolerance provision. “The [MVC] prohibits a person from driving with any amount of a schedule 1 controlled substance, a list that includes marijuana, in his or her system.” Id. However, “the MMMA’s protection supersedes the [MVC’s] prohibition and allows a registered patient to drive when he or she has indications of marijuana in his or her system.” Id. Stated another way, “MCL 257.625(8), which is inconsistent with the MMMA, does not apply to the medical use of marijuana.” Koon, 494 Mich at 7. “[T]he MMMA is inconsistent with, and therefore supersedes, MCL 257.625(8) unless a registered qualifying patient loses immunity because of his or her failure to act in accordance with the MMMA.” Koon, 494 Mich at 8-9.

Effective December 6, 2018, Initiated Law 1 of 2018, MCL 333.27951 et seq., created the Michigan Regulation and Taxation of Marihuana Act (MRTMA), the purpose of which “is to make marihuana legal under state and local law for adults 21 years of age or older, to make industrial hemp legal under state and local law, and to control the commercial production and distribution of marihuana under a system that licenses, regulates, and taxes the businesses involved.” MCL 333.27952.

Similar to the conduct limitations set forth in the MMMA, the MRTMA “does not authorize . . . operating, navigating, or being in physical control of any motor vehicle, aircraft, snowmobile, off-road recreational

---

26 Beginning October 1, 2018, the driver responsibility fee law will no longer be in effect, meaning no new driver responsibility fee assessments, and outstanding driver responsibility fees will not be collected. See MCL 257.732a(10) and MCL 257.732a(11). See Section 1.6 for more specific information related to the elimination of driver responsibility fees.

27 See MCL 333.26427(b)(4), which provides that the MMMA “does not permit any person to . . . [o]perate, navigate, or be in actual physical control of any motor vehicle, aircraft, snowmobile, off-road recreational vehicle, or motorboat while under the influence of marihuana.”
vehicle, or motorboat while [consuming marihuana or] under the influence of marihuana[.]” MCL 333.27954(1)(a); MCL 333.27954(1)(g). “[S]moking marihuana within the passenger area of a vehicle upon a public way” is also prohibited. MCL 333.27954(1)(g). Notwithstanding, the MRTMA penalty provision does not penalize such conduct. MCL 333.27965.

The NREPA continues to prohibit the operation of a vehicle if the operator has any amount of a schedule 1 substance, which includes marihuana, in his or her body. MCL 324.81134(1)(c); MCL 333.7212(1)(c). It is unclear if violations of the limited conduct set forth in the MRTMA will be pursued under the NREPA. It is equally unclear if the Koon holding, which provides that the MMMA supersedes the MVC, will be extended to the MRTMA or to recreational vehicles.28

For more general information on the MMMA and the MRTMA, see the Michigan Judicial Institute’s Controlled Substances Benchbook, Chapter 8.

Part A—An Overview of the Snowmobile Act

3.1 Introduction

The Snowmobile Act is codified as Part 821 of the Natural Resources and Environmental Protection Act (NREPA), MCL 324.82101 et seq.

“More than 6,200 miles of designated snowmobile trails are located throughout the state of Michigan forests, three national forests, and many acres of privately owned lands. Michigan is one of only three states that offer a large system of interconnected snowmobile trails.” https://www.michigan.gov/dnr/0,4570,7-153-10365_14824--,00.html.

Maps of snowmobile trails are available at: www.michigan.gov/dnr/0,1607,7-153-10365_14824-31074--,00.html.

3.2 Assumption of Risks When Participating in Sport of Snowmobiling

“Each person who participates in the sport of snowmobiling accepts the risks associated with that sport insofar as the dangers are obvious and inherent. Those risks include, but are not limited to, injuries to persons or property that can result from variations in terrain; surface or subsurface snow or ice conditions; bare spots; rocks, trees, and other forms of natural growth or debris; and collisions with signs, fences, or other snowmobiles or snow-grooming equipment. Those risks do not include injuries to persons or property that can result from the use of a snowmobile by another person in a careless or negligent manner likely to endanger person or property. When a snowmobile is operated in the vicinity of a railroad right-of-way, each person who participates in the sport of snowmobiling additionally assumes risks including, but not limited to, entanglement with tracks, switches, and ties and collisions with trains and other equipment and facilities.” MCL 324.82126(8).

3.3 State-Owned Land Use Rules

A. Unlawful Acts Generally

“On land owned or under the control of the [DNR], it is unlawful to do any of the following:

---

1 The land use rules discussed in this section are limited to those rules that may directly or indirectly apply to snowmobile use. Other prohibited acts are outside the scope of this benchbook.
(a) Enter, use, or occupy state-owned land for any purpose where posted against entry, use, or occupancy, as ordered by the [DNR].

***

(h) Destroy, damage, or remove a tree, including a dead and downed tree and woody debris, shrub, wildflower, grass, or other vegetation. Except in a wildlife food plot, this subdivision does not apply to picking and removing mushrooms, berries, and edible fruits or nuts for personal use.

***

(k) Obstruct any road or trail in a manner that hinders public access to state-owned land.

(l) Park a vehicle of any type in an area posted as no parking; or, where a designated parking area exists, to park a vehicle of any type in an area other than the designated parking area. If a motor vehicle is found parked on state-owned land and is found to be in violation of this rule, the registered owner is prima facie responsible for the violation as defined in MCL 257.675c(1).

(m) Park any vehicle in or otherwise occupy a designated campsite, except by a registered camper or authorized visitor to a registered camper.” Mich Admin Code, R 299.922.

B. Unlawful Acts in Game and Wildlife Areas

“In addition to the unlawful acts specified in R 299.922, on state-owned land in a state game or wildlife area, it is unlawful to do any of the following . . . [o]perate any wheeled self-propelled or motorized vehicle, except a [personal assistive mobility device (PAMD)], including a snowmobile and bicycle, on other than a designated road open to the public, a trail, parking lot, or area properly signed by the [DNR] as being open to such use.” Mich Admin Code, R 299.926(c).
3.4 Provisions Related to Local Ordinances

A. Adopting Local Ordinances Authorizing Use of Snowmobiles

MCL 324.82124(1) authorizes municipalities to pass a local ordinance regulating the operation of snowmobiles:

(1) Any municipality may pass an ordinance regulating the operation of snowmobiles if the ordinance meets substantially the minimum requirements of [MCL 324.82101 et seq]. A local unit of government may not adopt an ordinance that:

(a) Imposes a fee for a license.

(b) Specifies accessory equipment to be carried on the snowmobile.

(c) Requires a snowmobile operator to possess a motor vehicle driver license.

(d) Restricts operation of a snowmobile on the frozen surface of public waters or on lands owned by or under the control of the state except pursuant to [MCL 324.82125].”

In addition, the DNR may promulgate rules related to snowmobile use on the frozen surface of public waters, and the governing body of the political subdivision where the frozen waters lie “may enact an ordinance that is identical to the proposed rule [prepared by the DNR] and the [DNR] shall promulgate the rule. An ordinance enacted pursuant to [MCL 324.82125(3)] is not effective until the proposed rule is promulgated and effective.” Id.

Finally, “[a] city or village by ordinance may designate 1 or more specific public highways or streets within its jurisdiction as egress and ingress routes for the use of snowmobiles. A city or village acting under the authority of this subdivision shall erect and maintain, in accordance with the Michigan manual of uniform traffic control devices standards, a sign unit giving proper notice of the designation.” MCL 324.82119(1)(i).

B. No Duty to Maintain Surfaces Where Snowmobiles are Authorized to Operate

“A board of county road commissioners, a county board of commissioners, and a county have no duty to maintain any
highway under their jurisdiction in a condition reasonably safe and convenient for the operation of snowmobiles.” MCL 324.82124(2).

C. Governmental Immunity

Governmental immunity may exist in certain circumstances:

“Beginning on October 19, 1993, a board of county road commissioners, a county board of commissioners, and a county are immune from tort liability for injuries or damages sustained by any person arising in any way out of the operation or use of a snowmobile on maintained or unmaintained highways, shoulders, and rights-of-way over which the board of county road commissioners, the county board of commissioners, or the county has jurisdiction. The immunity provided by this subsection does not apply to actions which constitute gross negligence. Gross negligence is defined as conduct so reckless as to demonstrate a substantial lack of concern for whether an injury results.” MCL 324.82124(3).

3.5 Liability for Collisions Involving a Snowmobile

A snowmobile operator may be considered prima facie negligent in operating a snowmobile that is involved in a collision:

“In a court action in this state where competent evidence demonstrates that a vehicle that is permitted to be operated on a highway pursuant to the Michigan vehicle code, . . . MCL 257.1 to [MCL 257.923], collided with a snowmobile on a roadway, the driver of the snowmobile involved in the collision shall be considered prima facie negligent.” MCL 324.82119(1)(d).

3.6 Authority to Enforce the Snowmobile Act

A. DNR Conservation Officers

“Conservation officers appointed by the [DNR] and trained and certified pursuant to [MCL 28.601 to MCL 28.615], are peace officers, and except as otherwise provided by law, are vested with all the powers, privileges, prerogatives, and immunities conferred upon peace officers as provided in [MCL 300.21 to MCL 300.22], and in the general laws of [Michigan].” MCL 324.1501.
“Except as otherwise provided by law, conservation officers appointed by the [DNR] have the same power to serve criminal process and to require aid in executing criminal process as sheriffs, and are entitled to the same fees as sheriffs in performing those duties under [the NREPA], under [MCL 300.21 to MCL 300.22], and under the general laws of [Michigan].” MCL 324.1502.

B. Commissioned Park and Recreation Officers

“The [DNR] may commission park and recreation officers to enforce, on property regulated under [MCL 324.74101 et seq., (state parks)], rules promulgated by the [DNR] and orders issued by the [DNR] that are authorized in those rules, including, but not limited to, rules promulgated or orders issued under [MCL 324.504], and any laws of [Michigan] specified in those rules as enforceable by commissioned park and recreation officers.” MCL 324.1606(2).

“In performing those enforcement activities, commissioned park and recreation officers are vested with the powers, privileges, prerogatives, and immunities conferred upon peace officers under the laws of [Michigan].” MCL 324.1606(2).

“In addition to the limited arrest authority granted in [MCL 324.1606(2)], on property regulated under [MCL 324.74101 et seq., (state parks)], a commissioned park and recreation officer may arrest an individual without a warrant if 1 or more of the following circumstances exist:

(a) In the presence of the park and recreation officer, the individual commits an assault or an assault and battery in violation of . . . MCL 750.81 and MCL 750.81a.

(b) The park and recreation officer has reasonable cause to believe that a felony has been committed and reasonable cause to believe that the individual has committed it.

(c) The park and recreation officer has received affirmative written or verbal notice from a law enforcement officer or agency that a peace officer possesses a warrant for the individual’s arrest.

***

(e) The person violates . . . [MCL 324.82101 et seq.] . . .” MCL 324.1606(3).

“If a conservation officer or a park and recreation officer commissioned under [MCL 324.1606(2)] arrests a person
without warrant for a minor offense committed in the officer’s presence, instead of immediately bringing the person for arraignment by the court having jurisdiction, the officer may issue to and serve upon the person an appearance ticket as authorized by [MCL 764.9c to MCL 764.9g].” MCL 324.1606(6).

C. Peace Officers and Police Officers

“A peace [officer] or police officer may issue appearance tickets for violations of [MCL 324.82101 et seq.,] pursuant to [MCL 764.9a to MCL 764.9e][.].” MCL 324.82134(1).

D. State Forest Officers

“A state forest officer may enforce . . . MCL 324.82101 to [MCL 324.82160].” Mich Admin Code, R 299.932(m).

3.7 Enforcement of the Snowmobile Act on Federal Property

The Snowmobile Act is enforced in the three national forests in Michigan. This includes titling, licensing, equipment requirements, and general operating restrictions. However, unlike the ORV Act, the Snowmobile Act does not contain an offense for operating a snowmobile in a manner contrary to operating regulations on public land.2 MCL 324.81133(1)(q). Therefore, Michigan conservation officers do not have authority to issue citations to individuals for operating snowmobiles on areas of federal land that are closed to snowmobile operation. However, these individuals may be in violation of federal land use regulations and would therefore be subject to arrest and prosecution by federal officers.

3.8 Enforcement of the Snowmobile Act on Private Property

Although enforcement of the Snowmobile Act is generally permitted on private property, exceptions exist and are discussed throughout this chapter.

Committee Tip: The DNR Law Enforcement Division believes that the primary responsibility of

2See Section 2.8 and Section 2.21.
Michigan’s conservation officers in the area of snowmobile enforcement is protecting natural resources and safeguarding the health and safety of individuals utilizing public lands for recreation. General enforcement of the Snowmobile Act is focused on public lands. Conservation officers do enforce the Snowmobile Act on private property when it is necessary to protect the safety and welfare of an individual in imminent danger (where a child is involved or there is a reasonable suspicion the operator is under the influence) or where damage is being done to public natural resources (damage to streams or regulated wetlands).

3.9 Rulemaking Authority of the DNR

A. Snowmobile Safety Programs

The DNR is authorized to promulgate administrative rules to implement the state aid for snowmobile safety programs. MCL 324.82107(9). See Mich Admin Code, R 257.1501 to R 257.1511.

B. Snowmobile Trail Systems

The DNR is authorized to promulgate rules to implement state aid for recreational and snowmobile trails and permanent snowmobile trail easements. MCL 324.82109. See Mich Admin Code, R 257.1521 to R 257.1533.

C. Operation and Conduct of Snowmobiles on the Frozen Surface of Public Waters

“The [DNR] may promulgate rules to govern the operation and conduct of snowmobiles, speed limits, and the times when a snowmobile may be used and to establish and designate areas where snowmobiles may be used in a manner that will ensure compatible use and best protection of the safety and general welfare of the public on the frozen surface of public waters.” MCL 324.82125(1).

D. Wrongful or Improper Use or Occupancy

“The [DNR] shall promulgate rules to protect and preserve lands and other property under its control from depredation, damage, or destruction or wrongful or improper use or occupancy.” MCL 324.504(1).

“The [DNR] shall issue orders necessary to implement rules promulgated under [MCL 324.504].” MCL 324.504(9). “The orders are effective upon posting.” Id.

“A person who violates a rule promulgated under [MCL 324.504] or an order issued under [MCL 324.504] is responsible for a state civil infraction and may be ordered to pay a civil fine of not more than $500.00.” MCL 324.504(14).

The administrative rules are available here.

3.10 Warrantless Arrest Under the Snowmobile Act

“A peace officer who observes a violation by a person of [MCL 324.82101 et seq.,] or of a local ordinance or rule established under [MCL 324.82101 et seq.,] may arrest the person without a warrant.” MCL 324.82158(4).

“A peace officer, without a warrant, may arrest a person if the peace officer has reasonable cause to believe that the person was, at the time of an accident, the operator of a snowmobile involved in the accident in [Michigan] while in violation of [MCL 324.82127(1), MCL 324.82127(3), MCL 324.82127(4), MCL 324.82127(5), MCL 324.82127(6), or MCL 324.82127(7)] or a local ordinance substantially corresponding to [MCL 324.82127(1), MCL 324.82127(3), or MCL 324.82127(6)].” MCL 324.82136(1).

“If a person is arrested without a warrant for any of the following, the arrested person shall be taken, without unreasonable delay, before a magistrate or judge who is within the county in which the offense charged is alleged to have been committed, who has jurisdiction of the offense, and who is nearest or most accessible with reference to the place where the arrest is made:

(a) The person is arrested upon a charge of negligent homicide.

(b) The person is arrested under [MCL 324.82127] or a local ordinance substantially corresponding to [MCL 324.82127].” MCL 324.82159.
“If in the existing circumstances it does not appear that releasing the person pending the issuance of a warrant will constitute a public menace, the arresting officer may proceed as provided by [MCL 324.82134].” MCL 324.82159(b).

3.11 General Penalty Provision in the Snowmobile Act

Except as otherwise provided, a person who violates the Snowmobile Act is guilty of a misdemeanor punishable by:

- imprisonment for not more than 90 days;
- fine of not more than $500; or
- both. MCL 324.82133; MCL 750.504.

3.12 Costs and Minimum State Costs

MCL 769.1k(1)(b)(ii) (allowing the court to impose “[a]ny cost authorized by the statute for a violation of which the defendant entered a plea of guilty or no contest or the court determined that the defendant was guilty[.]”) does not provide courts with “the independent authority to impose costs upon criminal defendants.” People v Cunningham (Cunningham II), 496 Mich 145, 147 (2014), rev’d 301 Mich App 218 (2013) and overruling People v Sanders (Robert) (After Remand), 298 Mich App 105 (2012), and People v Sanders (Robert), 296 Mich App 710 (2012). Rather, it “provides courts with the authority to impose only those costs that the Legislature has separately authorized by statute.” Id. at 154. Effective October 17, 2014, 2014 PA 352 amended MCL 769.1k in response to the Michigan Supreme Court’s holding in Cunningham II.4 In Cunningham II, the Court held that MCL 769.1k(1)(b) — which, at the time, provided for the imposition of “[a]ny cost in addition to the minimum state cost”—did “not provide courts with the independent authority to impose ‘any cost[.]’” rather, it “provide[d] courts with the authority to impose only those costs that the Legislature has separately authorized by statute.” Cunningham II, 496 Mich at 147, 158 (concluding that “[t]he circuit court erred when it relied on [former] MCL 769.1k(1)(b)(ii) as independent authority to impose $1,000 in court costs[.]”). 2014 PA 352, in addition to making other revisions to MCL 769.1k, added MCL 769.1k(1)(b)(iii) to provide for the imposition of “any cost reasonably related to the actual costs incurred by the trial court[.]”5

---

4 The amended version of MCL 769.1k does not violate a defendant’s due process or equal protection rights, nor does it violate the constitutional prohibition on ex post facto punishments or the principle of separation of powers. People v Konopka (On Remand), 309 Mich App 345, 361, 369-370, 376 (2015).

5 This provision expires on October 17, 2020. See MCL 769.1k(1)(b)(iii).
PA 352 “appl[y] to all fines, costs, and assessments ordered or assessed under . . . MCL 769.1k[] before June 18, 2014, and after [October 17, 2014].”

2014 PA 352, enacting section 1 (emphasis supplied).

MCL 769.1k(1)(b)(iii) authorizes the imposition of costs independently of the statute for the sentencing offense, and “[a] trial court possessed the authority under MCL 769.1k, as amended by 2014 PA 352, to order [the] defendant to pay court costs.” People v Konopka (On Remand), 309 Mich App 345, 350, 358 (2015). “However, although the costs imposed [under MCL 769.1k(1)(b)(iii)] . . . need not be separately calculated, . . . the trial court [must] . . . establish a factual basis[]” demonstrating that “the court costs imposed [are] ‘reasonably related to the actual costs incurred by the trial court[].’” Konopka (On Remand), 309 Mich App at 359-360, quoting MCL 769.1k(1)(b)(iii).

“If a defendant is determined to be responsible or responsible ‘with explanation’ for a state civil infraction, the judge or district court magistrate may order the defendant to pay . . . costs as provided in [MCL 600.8827(3)[.]]” MCL 600.8827(2). “In the order of judgment, the judge or district court magistrate may grant a defendant permission to pay . . . costs . . . within a specified period of time or in specified installments.” Id. “Otherwise, the . . . costs . . . are payable immediately.” Id.

“If a defendant is ordered to pay a civil fine under [MCL 600.8827(2)], the judge or district court magistrate shall summarily tax and determine the costs of the action, which are not limited to the costs taxable in ordinary civil actions and may include all expenses, direct and indirect, to which the plaintiff has been put in connection with the civil infraction, up to the entry of judgment.” MCL 600.8827(3). “Costs of not more than $500.00 shall be ordered.” Id.

“[I]f the court orders a person convicted of an offense to pay any combination of a fine, costs, or applicable assessments, the court shall order that the person pay costs of not less than the following amount, as applicable:

(a) $68.00, if the defendant is convicted of a felony.

(b) $50.00, if the defendant is convicted of a misdemeanor or ordinance violation.” MCL 769.1j(1). See also MCL 600.8381(4).

The costs imposed under MCL 769.1j(1)(a) constitute a tax, and this tax does not violate the separation of powers requirement under Const 1963, art 3, § 2 or the requirement of Const 1963, art 4, § 32 that “[e]very law which imposes, continues or revives a tax shall distinctly state the tax.” People v Shenoskey, 320 Mich App 80, 83-84 (2017) (applying the analysis of
MCL 769.1k(1)(b)(iii) in *People v Cameron*, 319 Mich App 215 (2017) to MCL 769.1j(1)(a) because the statutes are “closely related”).

“Payment of the minimum state cost is a condition of probation under [MCL 771.1 et seq.] MCL 769.1j(3). See also MCL 771.3(1)(g) (“[t]he probationer shall pay the minimum state cost prescribed by [MCL 769.1j]”).

### 3.13 Justice System Assessment

“[W]hen fines and costs are assessed by a judge or district court magistrate in a civil infraction action, the defendant shall be ordered to pay the assessment required by [MCL 600.8727, MCL 600.8827, or MCL 257.907 (Michigan Vehicle Code)].” MCL 600.8381(5).

MCL 600.8727 applies to municipal civil infractions and requires the court to “order the defendant to pay a justice system assessment of $10.00” “in addition to any fine or cost ordered to be paid under [MCL 600.8727(2)].” MCL 600.8727(4).

MCL 600.8827 applies to state civil infractions and requires the court to “order the defendant to pay a justice system assessment of $10.00” “in addition to any fine or cost ordered to be paid under [MCL 600.8827(2) or MCL 600.8827(3)].” MCL 600.8827(4).

### 3.14 Specified Snowmobile Sanctions

#### A. Impoundment

“When a person is convicted under [MCL 324.82152(1)], the snowmobile, if it is owned by that person, shall be ordered impounded for not less than 30 or more than 120 days from the date of judgment.” MCL 324.82153(1).

“An order of impoundment issued pursuant to [MCL 324.82153(1)] is valid throughout [Michigan]. Any peace officer may execute the impoundment order. The order shall include the implied consent of the owner of the snowmobile to the storage for insurance coverage purposes.” MCL 324.82153(2).

“The owner of a snowmobile impounded pursuant to [MCL 324.82153] is liable for expenses incurred in the removal and storage of the snowmobile whether or not the snowmobile is returned to him or her. The snowmobile shall be returned to the owner only if the owner pays the expenses for removal and storage. If redemption is not made or the snowmobile is not returned as provided in [MCL
within 30 days after the time set in the impoundment order for return of the snowmobile, the snowmobile shall be considered abandoned.” MCL 324.82153(3).

“Nothing in [MCL 324.82153] affects the rights of a conditional vendor, chattel mortgage, or lessor of a snowmobile registered in the name of another person as owner who becomes subject to [MCL 324.82101 et seq.]” MCL 324.82153(4).

B. Court Order Not to Operate Snowmobile

“Immediately upon acceptance by the court of a plea of guilty or nolo contendere or upon entry of a verdict of guilty for a violation of [MCL 324.82127(1), MCL 324.82127(3), MCL 324.82127(4), MCL 324.82127(5), MCL 324.82127(6), or MCL 324.82127(7)] or a local ordinance substantially corresponding to [MCL 324.82127(1), MCL 324.82127(3), or MCL 324.82127(6)] whether or not the person is eligible to be sentenced as a multiple offender, the court shall consider all prior convictions established under [MCL 324.82130], except those convictions that, upon motion by the defendant, are determined by the court to be constitutionally invalid, and shall impose the following sanctions:

(a) For a conviction under [MCL 324.82127(4) or MCL 324.82127(5)], the court shall order, without an expiration date, that the person not operate a snowmobile.

(b) For a conviction under [MCL 324.82127(1)] or a local ordinance substantially corresponding to [MCL 324.82127(1)]:

(i) If the court finds that the person has no prior convictions within 7 years, the court shall order that the person not operate a snowmobile for not less than 6 months or more than 2 years and shall require that the person take and successfully complete the snowmobile safety education and training program before operating a snowmobile.

(ii) If the court finds that the person has 1 or more prior convictions within 7 years, the court shall order that the person not operate a snowmobile for a period of not less than 1 year or more than 2 years and shall require the person to take and successfully complete the snowmobile safety education and training program before operating a snowmobile.
(iii) If the court finds that the person has 2 or more prior convictions within 10 years, the court shall order, without an expiration date, that the person not operate a snowmobile.

(c) For a conviction under [MCL 324.82127(3)] or a local ordinance substantially corresponding to [MCL 324.82127(3)]:

(i) If the court finds that the convicted person has no prior conviction within 7 years, the court shall order that the person not operate a snowmobile for not less than 90 days or more than 1 year.

(ii) If the court finds that the person has 1 prior conviction within 7 years, the court shall order that the person not operate a snowmobile for not less than 6 months or more than 2 years.

(iii) If the court finds that the person has 2 or more prior convictions within 10 years, the court shall order, without an expiration date, the person not to operate a snowmobile.” MCL 324.82142.

C. Secretary of State Order Not to Operate Snowmobile For Specified Period of Time

“Notwithstanding a court order issued under [MCL 324.82127(1), MCL 324.82127(3), MCL 324.82127(4), or MCL 324.82127(5)], section 15a(1), (3), (4), or (5) of former 1968 PA 74, [MCL 324.82141–MCL 324.82142], or a local ordinance substantially corresponding to [MCL 324.82127(1) or MCL 324.82127(3)], or [MCL 324.82141–MCL 324.82142], if a court has not ordered a person not to operate a snowmobile as authorized by [MCL 324.82101 et seq.], the secretary of state shall issue an order that the person not operate a snowmobile as follows:

(a) For 90 days, upon receiving a record of the conviction of the person for a violation of [MCL 324.82127(3)], section 15a(3) of former 1968 PA 74, a local ordinance substantially corresponding to [MCL 324.82127(3)], or a law of another state substantially corresponding to [MCL 324.82127(3)], if the person has no prior convictions within 7 years for a violation of [MCL 324.82127(1), MCL 324.82127(3), MCL 324.82127(4), or MCL 324.82127(5)], section 15a(1), (3), (4), or (5) of former 1968 PA 74, or section 15a of former 1968 PA 74, a local ordinance substantially corresponding to [MCL 324.82127(1) or MCL
(b) For 1 year for a violation of [MCL 750.324, MCL 750.413, or MCL 750.414]; or a violation of [MCL 257.626(3) or MCL 257.626(4)].

(c) For 6 months, if the person has the following convictions within a 7-year period, whether under the law of [Michigan], a local ordinance substantially corresponding to a law of [Michigan] or a law of another state substantially corresponding to a law of [Michigan]:

(i) One conviction under [MCL 324.82127(1)], section 15a(1) of former 1968 PA 74, or section 15a of former 1968 PA 74.

(ii) Two convictions under [MCL 324.82127(3)], section 15a(3) of former 1968 PA 74, or section 15a of former 1968 PA 74.

(iv) One conviction under [MCL 324.82127(4) or MCL 324.82127(5)] or section 15a(4) or (5) of former 1968 PA 74 followed by 1 conviction under [MCL 324.82127(3)] or section 15a(3) of former 1968 PA 74.” MCL 324.82147(1).

“Upon receipt of the appropriate records of conviction or probate court or family division of circuit court disposition of a person resulting from the same incident, a suspension shall be imposed only for the violation to which the longest period of suspension applies under [MCL 324.82147].” MCL 324.82147(2).

(b) Any combination of 2 convictions within 7 years for a violation of [MCL 324.82127(1)], section 15a(1) of former 1968 PA 74, or section 15a of former 1968 PA 74, as added by 1980 PA 402.

The court may permit subsequent corrections to the record.” MCL 324.82148(6).

“Judicial review of an administrative sanction under [MCL 324.82148] is governed by the law in effect at the time the offense was committed or attempted.” MCL 324.82148(7).

2. Failure to Answer Citation, Appear, or Comply with Court Order or Judgment

“If a person is charged with, or convicted of, a violation of [MCL 324.82127(1), MCL 324.82127(2), MCL 324.82127(3), MCL 324.82127(4), or MCL 324.82127(5)], former section 15a(1), (2), (3), (4), or (5) of Act No. 74 of the Public Acts of 1968, or a local ordinance substantially corresponding to [MCL 324.82127(1), MCL 324.82127(2), or MCL 324.82127(3)], and the person fails to answer a citation or a notice to appear in court, or for any matter pending, or fails to comply with an order or judgment of the court, including, but not limited to, paying all fines, costs, and crime victim’s rights assessments, the court shall immediately give notice by first-class mail sent to the person’s last known address that if the person fails to appear within 7 days after the notice is issued or fails to comply with the order or judgment of the court, including, but not limited to, paying all fines, costs, and crime victim’s rights assessments, within 14 days after the notice is issued, the secretary of state will issue
an order with no expiration date that the person not operate a snowmobile.” MCL 324.82149(1). “If the person fails to appear within the 7-day period or fails to comply with the order or judgment of the court, including, but not limited to, paying all fines, costs, and crime victim rights assessments, within the 14-day period, the court shall immediately inform the secretary of state who shall immediately issue the order and send a copy to the person by personal service or first-class mail sent to the person’s last known address.” Id.

“An order imposed under [MCL 324.82149(1)] remains in effect until both of the following occur:

(a) The court informs the secretary of state that the person has appeared before the court and that all matters relating to the violation are resolved.

(b) The person has paid to the court a $25.00 administrative order processing fee.” MCL 324.82149(2).

E. Expiration of Order Not to Operate Snowmobile

“Whether of definite or indefinite length, an order not to operate a snowmobile does not expire until the person subject to the order pays an administrative processing fee of $125.00 to the secretary of state.” MCL 324.82155.

“The secretary of state shall not issue a certificate of registration for a snowmobile whose registration is canceled until after the expiration of 90 days after the cancellation.” MCL 324.82152(4).

3.15 Appealing Final Determination By Secretary of State

“The circuit court shall enter an order setting the cause for hearing for a day certain that is not more than 63 days after the date of the order. The order, a copy of the petition, which shall include the person’s full name, current address, and birth date, and all supporting affidavits shall be served on the secretary of state’s office in Lansing not less than 20 days before the date set for the hearing. If the person is seeking a review of the record prepared pursuant to [MCL 324.82146], the service upon the secretary of state shall be made not less than 50 days before the date set for the hearing.” MCL 324.82150(2).

“Except as provided in [MCL 324.82150(4) and MCL 324.82150(6)], the court may take testimony and examine all the facts and circumstances incident to the order that the person not operate a snowmobile. The court may affirm, modify, or set aside the order. The order of the court shall be duly entered, and the petitioner shall file a certified copy of the order with the secretary of state’s office in Lansing within 7 days after entry of the order.” MCL 324.82150(3).

“In reviewing a determination under [MCL 324.82146], the court shall confine its consideration to a review of the record prepared pursuant to [MCL 324.82146] to determine whether the hearing officer properly determined the issues enumerated in [MCL 324.82146].” MCL 324.82150(4).

“In reviewing a determination resulting in issuance of an order under [MCL 324.82148(1)(b), MCL 324.82148(1)(c), or MCL 324.82148(1)(d)], the court shall confine its consideration to a review of the record prepared pursuant to [MCL 324.82148]. The court shall set aside the determination of the secretary of state only if substantial rights of the petitioner have been prejudiced because the determination is any of the following:

(a) In violation of the constitution of the United States, the state constitution of 1963, or a statute.
(b) In excess of the statutory authority or jurisdiction of the secretary of state.

(c) Made upon unlawful procedure resulting in material prejudice to the petitioner.

(d) Not supported by competent, material, and substantial evidence on the whole record.

MCL 324.82150(5).

“[MCL 324.82150] does not apply to an order issued by the secretary of state pursuant to a court order issued as part of the sentence for a conviction under [MCL 324.82127], [MCL 324.82141-MCL 324.82142] or a local ordinance substantially corresponding to [MCL 324.82127(1), MCL 324.82127(2), or MCL 324.82127(3)].” MCL 324.82150(6).

“Within 63 days after the determination, a person who is aggrieved by a final determination of the secretary of state under [MCL 324.82101 et seq.,] may petition the circuit court for the county in which the conviction or determination resulting in issuance of the order that the person not operate a snowmobile for an order staying the order.” MCL 325.82151(1).

“Except as provided in [MCL 324.82151(2)], the court may enter an ex parte order staying the order subject to terms and conditions prescribed by the court until the determination of an appeal to the secretary of state or of an appeal or a review by the circuit court, or for a lesser time that the court considers proper.” MCL 324.82151(1).

“The court shall not enter an ex parte order staying the order if the order is based upon a claim of undue hardship.” MCL 324.82151(2).

3.16 Presumption That Owner Was Operator

“In a proceeding for a violation of [MCL 324.82101 et seq.,] involving prohibited operation or conduct, the registration number displayed on a snowmobile constitutes prima facie evidence that the owner of the snowmobile was the person operating the snowmobile at the time of the offense.” MCL 324.82134(2).

Part B—Nonmoving Violations in the Snowmobile Act
### 3.17 Registration Requirements

#### A. Statutory Authority

“Except as otherwise provided, a snowmobile shall not be operated unless the owner first obtains a certificate of registration and a registration decal.” MCL 324.82103(1). “The certificate of registration shall be secured at the time of purchase or transfer of ownership.” *Id.*

“The certificate of registration and registration decal authorizes the operation of the snowmobile for a 3-year period that begins on October 1 and expires on September 30 of the third year.” MCL 324.82105(3). “The certificate of registration and registration decal may be renewed beginning July 1 of the expiration year by payment of a fee of $30.00.” *Id.* “The registration decal shall be displayed as prescribed by rule promulgated by the department of state.” *Id.* “The person shall make the certificate of registration available for inspection upon demand by a peace officer.” MCL 324.82105(1).

“The owner of a snowmobile having been issued a certificate of registration for the snowmobile shall affix to each side of the forward half of the cowl above the footwell of the snowmobile the registration decal assigned to that snowmobile.” MCL 324.82113(1). “The registration decal shall be as prescribed by the [DNR].” *Id.*

“The department of state may cancel, suspend, revoke, or refuse to issue a snowmobile registration if any of the following occur:

(a) The applicant has failed to furnish all required information or reasonable additional information requested by the department of state.

(b) The required fees have not been paid.

(c) The applicant is not entitled to a snowmobile registration under [MCL 324.82101 et seq.]

(d) The department of state issued the registration in error.

(e) The application contains a false or fraudulent statement.

(f) The department of state has reasonable grounds to believe that the snowmobile was stolen or embezzled.” MCL 324.82105b.
B. Penalties

“A person who is convicted of a violation of [MCL 324.82103] shall be fined not more than $50.00.” MCL 324.82103(2). In addition, the person may also be subject to imprisonment for not more than 90 days. See MCL 324.82133; MCL 750.504.

Committee Tip: The penalty provision of the registration statute uses the term “convicted” but does not specify whether the fine is a civil fine or a criminal fine. As a result, the DNR has concluded that a violation of this statute is a criminal offense, rather than a civil infraction. By comparison, the penalty provision for the snowmobile trail permit statute specifically states that a violation of that statute is a state civil infraction. See Section 3.18.

C. Exceptions

1. Snowmobile Operated on Owner’s Land or in Safety Program

“A certificate of registration or a registration decal is not required for a snowmobile operated exclusively on lands owned or under the control of the snowmobile owner or for a snowmobile used entirely in a safety education and training program conducted by a certified snowmobile safety instructor and authorized pursuant to [MCL 324.82108].” MCL 324.82103(1).

2. Snowmobile Operated in Special Events of Limited Duration

3. **Historic Snowmobiles**

“The secretary of state may issue to the owner of a historic snowmobile a historic snowmobile registration decal which shall bear the inscription ‘historic snowmobile - Michigan’ and the registration number.” MCL 324.82105c(1). “The registration decal shall be affixed above or below the headlight or, if the historic snowmobile was not originally equipped with a headlight, on the forward half of the cowl above the footwell of the historic snowmobile.” *Id.*

“The owner of a historic snowmobile applying for a historic snowmobile registration decal under [MCL 324.82105c] shall pay a fee of $50.00 and shall certify that the snowmobile for which the registration is requested is owned and operated solely as a historic snowmobile.” MCL 324.82105c(2).

“A registration issued under [MCL 324.82105c] is valid for the period the historic snowmobile is owned by the owner and is nontransferable.” MCL 324.82105c(3).

“The secretary of state may revoke a registration decal issued under [MCL 324.82105c], for cause shown and after a hearing, for failure of the applicant to comply with [MCL 324.82105c] or for use of the snowmobile for which the registration was issued for purposes other than those enumerated in [MCL 324.82101(i)8].” MCL 324.82105c(4).

“A historic snowmobile registered under [MCL 324.82105c] is exempt from registration under [MCL 324.82105].” MCL 324.82105c(5).

“The trail permit sticker shall be permanently affixed to the snowmobile directly above or below the headlight of the snowmobile.” MCL 324.82118(4).

B. Exceptions

“A snowmobile used solely for transportation on the frozen surface of public waters for the purpose of ice fishing is exempt from the requirement of purchasing and displaying a snowmobile trail permit sticker[.]” MCL 324.82118(8).

In addition, “[MCL 324.82118] does not apply to a historic snowmobile registered under [MCL 324.82105c].” MCL 324.82118(13).

### 3.20 Operation of Snowmobiles on Public Highways and Streets

**A. Statutory Authority**

“A person shall not operate a snowmobile upon a public highway, land used as an airport or street, or on a public or private parking lot not specifically designated for the use of snowmobiles except under the following conditions and circumstances:

(a) Subject to [MCL 324.82119(2)], a snowmobile may be operated on the right-of-way of a public highway, except a limited access highway, if it is operated at the extreme right of the open portion of the right-of-way and with the flow of traffic on the highway. However, a snowmobile may be operated on the right-of-way of a public highway against the flow of traffic if the right-of-way is a snowmobile trail that is designated by the [DNR] in the plan developed pursuant to [MCL 324.82106(2)] and that is approved by the state transportation department. Snowmobiles operated on the right-of-way of a public highway, as provided in [MCL 324.82119(1)(a)], shall travel single file and shall not be operated abreast except when overtaking and passing another snowmobile. In the absence of a posted snowmobile speed limit, a snowmobile operated on the right-of-way of a public highway, as provided in [MCL
324.82119(1)(a)], shall not exceed the speed limit posted on the public highway.

(b) Subject to [MCL 324.82119(2)], a snowmobile may be operated on the right-of-way of a limited access public highway if it is operated on a snowmobile trail that is designated by the [DNR] in the plan developed pursuant to [MCL 324.82106(2)] and that is approved by the state transportation department. A snowmobile shall only be operated on that right-of-way in the manner provided in that plan. In addition, a snowmobile operated on the right-of-way of a public highway, as provided in [MCL 324.82119(1)(b)], shall travel single file and shall not be operated abreast except when overtaking and passing another snowmobile. In the absence of a posted snowmobile speed limit, a snowmobile operated on the right-of-way of a public highway, as provided in [MCL 324.82119(1)(b)], shall not exceed the speed limit posted on the public highway.\[11\]

(c) A snowmobile may be operated on the roadway or shoulder when necessary to cross a bridge or culvert if the snowmobile is brought to a complete stop before entering onto the roadway or shoulder and the driver yields the right-of-way to all oncoming traffic.

***

(e) A snowmobile may be operated across a public highway other than a limited access highway, at right angles to the highway, for the purpose of getting from 1 area to another when the operation can be done in safety and another vehicle is not crossing the highway at the same time in the same general area. An operator shall bring his or her snowmobile to a complete stop before proceeding across the public highway and shall yield the right-of-way to all oncoming traffic.

(f) Snowmobiles may be operated on a highway in a county road system that is not normally snowplowed for vehicular traffic and on the plowed right-of-way or shoulder when no right-of-way exists on a snowplowed highway in the county road system, outside the corporate limits of a city or village, that is designated

Upon the request of a county road commission that has designated all county roads outside the corporate limits of a city or village for snowmobile use, the state transportation department shall erect at county road commission expense and shall maintain, in accordance with the Michigan manual of uniform traffic control devices standards, the basic snowmobile sign unit together with a supplemental panel stating ‘permitted on right-of-way or shoulder of all . . . (county name) roads–MCL 324.82119’ at the county line on all state trunk line highways and county roads. A sign erected before [December 27, 2005] may cite 1968 PA 74 instead of citing [MCL 324.82119].

(g) A law enforcement officer of a local unit of government or the state may authorize use of a snowmobile on a public highway or street within his or her jurisdiction when an emergency occurs and conventional motor vehicles cannot be used for transportation due to snow or other extreme highway conditions.

(h) A snowmobile may be operated on a highway or street for a special event of limited duration conducted according to a prearranged schedule only under permit from the governmental unit having jurisdiction. The event may be conducted on the frozen surface of public waters only under permit from the [DNR].

(i) A city or village by ordinance may designate 1 or more specific public highways or streets within its jurisdiction as egress and ingress routes for the use of snowmobiles. A city or village acting under the authority of [MCL 324.82119(1)(i)] shall erect and maintain, in accordance with the Michigan manual of uniform traffic control devices standards, a sign unit giving proper notice of the designation.” MCL 324.82119(1).

A snowmobile may enter such an area for the purpose of servicing the area or for medical emergencies.

(i) On a railroad or railroad right-of-way. This prohibition does not apply to railroad personnel, public utility personnel, law enforcement personnel while in the performance of their duties, or persons using a snowmobile trial located on or along a railroad right-of-way, or an at-grade snowmobile trail crossing of a railroad right-of-way, that has been expressly approved in writing by the owner of the right-of-way and each railroad company using the tracks and that meets the conditions imposed in [MCL 324.82126(4) and MCL 324.82126(5)]. \(^{14}\)It is not clear whether any of the general misdemeanor penalties set forth in MCL 750.504 apply to violations of MCL 324.82108(1) because MCL 324.82108(6) specifies a penalty of “not more than $25.00.” Id.

Part D—Offenses in the Snowmobile Act Involving Alcohol and/or Controlled Substances
3.30 Preliminary Chemical Breath Analysis (PBT) & Chemical Tests of Blood, Urine, or Breath

A. Preliminary Chemical Breath Analysis (PBT)

1. Submitting to or Refusing a Preliminary Chemical Breath Analysis Test (PBT)

“A peace officer who has reasonable cause to believe that a person was operating a snowmobile and that, by the consumption of alcoholic liquor, the person may have affected his or her ability to operate a snowmobile may require the person to submit to a [PBT].” MCL 324.82136(2).

“A person who submits to a [PBT] remains subject to the requirements of [MCL 324.82143–MCL 324.82146] for the purposes of chemical tests described in those sections.” MCL 324.82136(2)(c).

“A person who refuses to submit to a [PBT] upon a lawful request by a peace officer is responsible for a state civil infraction and may be ordered to pay a civil fine of not more than $500.00.” MCL 324.82136(2)(d).

2. Admissibility at Trial

“The results of a [PBT] are admissible in a criminal prosecution for a crime enumerated in [MCL 324.82143(1)] or in an administrative hearing solely to assist the court or hearing officer in determining a challenge to the validity of an arrest.” MCL 324.82136(2)(b). “[MCL 324.82136(2)(b)] does not limit the introduction of other competent evidence offered to establish the validity of an arrest.” Id.

B. Chemical Tests

“A rule relating to a chemical test for alcohol or a controlled substance promulgated under the [MVC], applies to a chemical test administered under [MCL 324.82120 et seq.]” MCL 324.82137(3).

1. Implied Consent Upon Arrest

“A person who operates a snowmobile is considered to have given consent to chemical tests of his or her blood, breath, or urine for the purpose of determining the amount of alcohol or presence of a controlled substance, or both, in his or her blood in all of the following circumstances:
(a) The person is arrested for a violation of [MCL 324.82127(1), MCL 324.82127(3), MCL 324.82127(4), MCL 324.82127(5), MCL 324.82127(6), or MCL 324.82127(7)] or a local ordinance substantially corresponding to [MCL 324.82127(1), MCL 324.82127(3), or MCL 324.82127(6)].

(b) The person is arrested for negligent homicide, manslaughter, or murder resulting from operation of a snowmobile, and the peace officer had reasonable grounds to believe that the person was operating the snowmobile in violation of [MCL 324.82127].” MCL 324.82143(1).

“A person who is afflicted with hemophilia, diabetes, or a condition requiring the use of an anticoagulant under the direction of a physician shall not be considered to have given consent to the withdrawal of blood.” MCL 324.82143(2).

“A chemical test described in [MCL 324.82143(1)] shall be administered as provided in [MCL 324.82137 and MCL 324.82138].” MCL 324.82143(3).

2. Advice

“A person arrested for a crime described in [MCL 324.82143(1)] shall be advised of all of the following:

(i) That if the person takes a chemical test of his or her blood, urine, or breath administered at the request of a peace officer, the person has the right to demand that someone of the person’s own choosing administer 1 of the chemical tests; that the results of the test are admissible in a judicial proceeding as provided under [MCL 324.82101 et seq.,] and shall be considered with other competent evidence in determining the innocence or guilt of the defendant; and that the person is responsible for obtaining a chemical analysis of a test sample obtained pursuant to the person’s own request.[17]

(ii) That if the person refuses the request of the peace officer to take a test described in [MCL 324.82137(1)(b)(i)], the test shall not be given without a court order, but the peace officer may seek to obtain such a court order.

(iii) That the person’s refusal of the request of a peace officer to take a test described in [MCL
324.82137(1)(b)(i) will result in issuance of an order that the person not operate a snowmobile.” MCL 324.82137(1)(b).

3. Submitting to or Refusing a Chemical Test

“A chemical test described in [MCL 324.82137] shall be administered at the request of a peace officer having reasonable grounds to believe the person has committed a crime described in [MCL 324.82143(1)].” MCL 324.82138(1).

“A person who takes a chemical test administered at the request of a peace officer, as provided in [MCL 324.82137], shall be given a reasonable opportunity to have someone of the person’s own choosing administer 1 of the chemical tests described in [MCL 324.82137] within a reasonable time after the person’s detention, and the results of the test are admissible and shall be considered with other competent evidence in determining the innocence or guilt of the defendant. If the person charged is administered a chemical test by someone of the person’s own choosing, the person charged is responsible for obtaining a chemical analysis of the test sample.” MCL 324.82138(1).

“If a person refuses the request of a peace officer to submit to a chemical test offered under [MCL 324.82137 or MCL 324.82138], a test shall not be given without a court order, but the officer may seek to obtain the court order.” MCL 324.82144(1).

“If a person refuses a chemical test offered under [MCL 324.82137 or MCL 324.82138], or submits to the chemical test and the test reveals a blood alcohol content of 0.08 grams or more per 100 milliliters of blood, per 210 liters of breath, or per 67 milliliters of urine, the peace officer who requested the person to submit to the test shall immediately forward a written report to the secretary of state.” MCL 324.82144(2).

17 However, the defendant cannot choose a specific analyst at the Michigan State Police (MSP) laboratory to administer the chemical test. See People v Green (Gregory), 310 Mich App 249, 255 (2015) (reversing the trial court’s order compelling the MSP laboratory to retest evidence at the defendant’s request and holding that MCL 257.625a(6), which provides the defendant with an identical right to independent testing in the context of motor vehicles, does not permit a defendant to choose a forensic scientist at the MSP laboratory to administer a chemical test because “there is no indication that the MSP laboratory . . . offers chemical testing services to private individuals or is able to bill for such services”). “[T]he trial court lacks authority to compel a state agency to perform services it does not offer.” Green (Gregory), 310 Mich App at 255. Further, “MCR 6.201(A)(6) does not provide the trial court with the authority to order the MSP to retest its own evidence. Rather, it merely provides the court with the authority to provide [the] defendant the opportunity to test any tangible physical evidence.” Green (Gregory), 310 Mich App at 256-257.

18 See Section 3.30 for more information on the requirements of MCL 324.82137.
“The report shall state that the officer had reasonable grounds to believe that the person had committed a crime described in [MCL 324.82143(1)], and either that the person has refused to submit to the test upon the request of the peace officer and has been advised of the consequences of the refusal or that the test revealed a blood alcohol content of 0.08 grams or more per 100 milliliters of blood, per 210 liters of breath, or per 67 milliliters of urine.” MCL 324.82144(2).

a. Requesting a Hearing

“If a person refuses to submit to a chemical test pursuant to [MCL 324.82144], the peace officer shall immediately notify the person in writing that within 14 days of the date of the notice the person may request a hearing as provided in [MCL 324.82145].” MCL 324.82145(1).

“The notice shall specifically state that failure to request a hearing within 14 days will result in issuance of an order that the person not operate a snowmobile.” MCL 324.82145(2). “The notice shall also state that there is not a requirement that the person retain counsel for the hearing, though counsel is permitted to represent the person at the hearing.” Id.

“If a person who refuses to submit to a chemical test under [MCL 324.82144] does not request a hearing within 14 days of the date of notice under [MCL 324.82145], the secretary of state shall issue an order that the person not operate a snowmobile for 1 year or, for a second or subsequent refusal within 7 years, for 2 years.” MCL 324.82146(1).

If the person requests a hearing, MCL 324.82146(2) governs the procedures for that administrative hearing. “After a hearing, if the person who requested the hearing does not prevail, the secretary of state shall order that the person not operate a snowmobile for 1 year or, for a

19 However, the defendant cannot choose a specific analyst at the Michigan State Police (MSP) laboratory to administer the chemical test. See People v Green (Gregory), 310 Mich App 249, 255 (2015) (reversing the trial court’s order compelling the MSP laboratory to retest evidence at the defendant’s request and holding that MCL 257.625a(6), which provides the defendant with an identical right to independent testing in the context of motor vehicles, does not permit a defendant to choose a forensic scientist at the MSP laboratory to administer a chemical test because “there is no indication that the MSP laboratory . . . offers chemical testing services to private individuals or is able to bill for such services[].”). “[T]he trial court lacks authority to compel a state agency to perform services it does not offer.” Green (Gregory), 310 Mich App at 255. Further, “MCR 6.201(A)(6) does not provide the trial court with the authority to order the MSP to retest its own evidence. second or subsequent refusal within 7 years, for 2 years.” MCL 324.82146(4).

b. Circuit Court Appeal

“The person may file a petition in the circuit court of the county in which the arrest was made to review the order [not to operate a snowmobile] as provided in [MCL 324.82150]. If after the hearing the person who requested the hearing prevails, the peace officer who filed the report under [MCL 324.82144] may, with the consent of the prosecuting attorney, file a petition in the circuit court of the county in which the arrest was made to review the determination of the hearing officer as provided in [MCL 324.82150].” MCL 324.82146(4). See also MCL 324.82150(1).

Generally, the petition for review must be filed within 63 days of the secretary of state’s determination. MCL 324.82150(1). However, “for good cause shown, the court may allow the petition to be filed within 182 days after the determination is made.” Id.

“In reviewing a determination under [MCL 324.82146], the court shall confine its consideration to a review of the record prepared pursuant to [MCL 324.82146] to determine whether the hearing officer properly determined the issues enumerated in [MCL 324.82146].” MCL 324.82150(4).

4. Requirements for Collecting Sample/Specimen for Chemical Test

“A sample or specimen of urine or breath shall be taken and collected in a reasonable manner. Only a licensed physician, or a licensed nurse or medical technician under the direction of a licensed physician, qualified to withdraw blood and acting in a medical environment, may withdraw blood at the request of a peace officer for the purpose of determining the amount of alcohol or presence of a controlled substance, or both, in a person’s blood, as provided in this subsection. A qualified person who withdraws or analyzes blood, or assists in the withdrawal or analysis, in accordance with this part is not liable for a crime or civil damages predicated on the act of withdrawing or analyzing blood and related procedures unless the withdrawal or analysis is performed in a negligent manner.” MCL 324.82137(2).
5. Disclosure

“If a chemical test described in [MCL 324.82137 and MCL 324.82138] is administered, the results of the test shall be made available to the person charged or the person’s attorney upon written request to the prosecution, with a copy of the request filed with the court.” MCL 324.82139(2). “The prosecution shall furnish the results at least 2 days before the day of the trial.” Id. “Failure to fully comply with the request bars the admission of the results into evidence by the prosecution.” Id.

Similarly, where a snowmobile has been involved in an accident, chemical tests may be taken and must be disclosed as required by statute. See MCL 324.82138(2)-(3). Under MCL 324.82138(2), if a chemical analysis of a snowmobile operator’s blood has been taken pursuant to that provision (taking blood after snowmobile accident for medical purposes), “[t]he medical facility or person performing the chemical analysis shall disclose the results of the analysis to a prosecuting attorney who requests the results for use in a criminal prosecution as provided in [MCL 324.82138(2)]. A medical facility or person disclosing information in compliance with [MCL 324.82138(2)] is not civilly or criminally liable for making the disclosure.” Under MCL 324.82138(3), a person’s blood must be withdrawn “in a manner directed by the medical examiner” following an accident involving a snowmobile where the operator dies. “The medical examiner shall give the results of the chemical analysis of the sample to the law enforcement agency investigating the accident, and that agency shall forward the results to the department of state police.” Id.

6. Admissibility Issues

“The amount of alcohol or presence of a controlled substance, or both, in an operator’s blood at the time alleged as shown by chemical analysis of the person’s blood, urine, or breath is admissible into evidence in any civil or criminal proceeding.” MCL 324.82137(1)(a).

 “[T]he results of [a chemical test described in MCL 324.82137] are admissible and shall be considered with other competent evidence in determining the innocence or guilt of the defendant.” MCL 324.82138(1).

“A person’s refusal to submit to a chemical test as provided in [MCL 324.82137 and MCL 324.82138] is admissible in a criminal prosecution for a crime described in [MCL 324.82143(1)] only for the purpose of showing that a test was
offered to the defendant, but not as evidence in determining innocence or guilt of the defendant.” MCL 324.82140. “The jury shall be instructed accordingly.” Id.

“The provisions of [MCL 324.82127 and MCL 324.82138] relating to chemical testing do not limit the introduction of any other competent evidence bearing upon the question of whether a person was impaired by, or under the influence of, alcoholic liquor or a controlled substance, or both, or whether the person had a blood alcohol content of 0.08 grams or more per 100 milliliters of blood, per 210 liters of breath, or per 67 milliliters of urine, or had in his or her body any amount of a controlled substance listed in schedule 1 under . . . MCL 333.7212, or a rule promulgated under [MCL 333.7212], or of a controlled substance described in [MCL 333.7214(a)(iv)].” MCL 324.82139(1).

Section 3.36 The Michigan Medical Marihuana Act and The Michigan Regulation and Taxation of Marihuana Act

“The Michigan Medical Marihuana Act (MMMA) prohibits the prosecution of registered patients who internally possess marijuana, but the act does not protect registered patients who operate a vehicle while ‘under the influence’ of marijuana.” People v Koon, 494 Mich 1, 3 (2013). Although the situation in Koon involved a motor vehicle and the Motor Vehicle Code’s (MVC) zero-tolerance provision, its discussion is included here as potentially relevant to a similar situation involving a snowmobile. See MCL 324.82127(1)(c), which contains language similar to MCL 257.625(8), the MVC’s zero-tolerance provision. “The [MVC] prohibits a person from driving with any amount of a schedule 1 controlled substance, a list that includes marijuana, in his or her system.” Id. However, “the MMMA’s protection supersedes the [MVC’s] prohibition and allows a registered patient to drive when he or she has indications of marijuana in his or her system but is not otherwise under the influence of marijuana.” Id. Stated another way, “MCL 257.625(8), which is inconsistent with the MMMA, does not apply to the medical use of marijuana.” Koon, 494 Mich at 7. “[T]he MMMA is inconsistent with, and therefore supersedes, MCL 257.625(8) unless a registered qualifying patient loses immunity because of his or her failure to act in accordance with the MMMA.” Koon, 494 Mich at 8-9.

Effective December 6, 2018, Initiated Law 1 of 2018, MCL 333.27951 et seq., created the Michigan Regulation and Taxation of Marihuana Act (MRTMA), the purpose of which “is to make marihuana legal under state and local law for adults 21 years of age or older, to make industrial hemp legal under state and local law, and to control the commercial production and distribution of marihuana under a system that licenses, regulates, and taxes the businesses involved.” MCL 333.27952.

Similar to the conduct limitations set forth in the MMMA, the MRTMA “does not authorize . . . operating, navigating, or being in physical control of any motor vehicle, aircraft, snowmobile, off-road recreational vehicle, or motorboat while [consuming marihuana or] under the influence of marihuana[.]” MCL 333.27954(1)(a); MCL 333.27954(1)(g). “[S]moking marihuana within the passenger area of a vehicle upon a public way” is also prohibited. MCL 333.27954(1)(g). Notwithstanding, the MRTMA penalty provision does not penalize such conduct. MCL 333.27965.

23See MCL 333.26427(b)(4), which provides that the MMMA “does not permit any person to . . . [o]perate, navigate, or be in actual physical control of any motor vehicle, aircraft, snowmobile, off-road recreational vehicle, or motorboat while under the influence of marihuana.”
The NREPA continues to prohibit the operation of a vehicle if the operator has any amount of a schedule 1 substance, which includes marihuana, in his or her body. MCL 324.82127(1)(c); MCL 333.7212(1)(c). It is unclear if violations of the limited conduct set forth in the MRTMA will be pursued under the NREPA. It is equally unclear if the Koon holding, which provides that the MMMA supersedes the MVC, will be extended to the MRTMA or to recreational vehicles.24

For more general information on the MMMA and the MRTMA, see the Michigan Judicial Institute’s Controlled Substances Benchbook, Chapter 8.

Part A—An Overview of the Marine Safety Act

4.1 Introduction

The Marine Safety Act is codified as Part 801 of the Natural Resources and Environmental Protection Act (NREPA), MCL 324.80101 et seq.

The Marine Safety Act, MCL 324.80101 et seq., “applies to vessels and associated equipment used, to be used, or carried in vessels used on waters subject to the jurisdiction of [Michigan].” MCL 324.80105(1).

The Marine Safety Act, MCL 324.80101 et seq., “except where expressly indicated otherwise, does not apply to any of the following:

(a) Foreign vessels temporarily using waters subject to state jurisdiction.

(b) Military or public vessels of the United States, except recreational-type public vessels.

(c) A vessel whose owner is a state or political subdivision of a state, other than [Michigan] and its political subdivisions, that is used principally for governmental purposes and that is clearly identifiable as such.

(d) A ship’s lifeboat.” MCL 324.80105(2).

“The [Department of Natural Resources (DNR)] shall be responsible for administration of [MCL 324.80101 et seq.,] except as otherwise provided in [MCL 324.80101 et seq.]” MCL 324.80106.

“The [DNR] may regulate the operation of vessels, water skis, water sleds, aquaplanes, surfboards, or other similar contrivances on the waters of this state.” MCL 324.80108. “Where special regulations are determined necessary, the [DNR] may establish vessel speed limits; prohibit the use of vessels, water skis, water sleds, aquaplanes, surfboards, or other similar contrivances; restrict the use of vessels, water skis, water sleds, aquaplanes, surfboards, or other similar contrivances by day and hour; establish and designate areas restricted solely to boating, skin or scuba diving, fishing, swimming, or water skiing; and prescribe any other regulations relating to the use or operation of vessels, water skis, water sleds, aquaplanes, surfboards, or other similar contrivances that will assure compatible use of state waters and best protect the public safety.” Id. “The [DNR] shall prescribe special local regulations in such a manner as to make the regulations uniform with other special local regulations established on other waters of this state insofar as is reasonably possible.” Id.
4.2 Common Jurisdiction of Certain Counties

A. Wayne and Monroe Counties

“The counties of Wayne and Monroe shall have jurisdiction, in common, of all offen[s]es committed on that part of Lake Erie, which lies within the limits of this state; and such offen[s]es may be heard and tried in either of said counties in which legal process against the offender shall be first issued, and in like manner and to the same effect as if such offen[s]e had been committed in any other part of either of said counties.” MCL 45.6.

B. Wayne, Macomb, and St. Clair Counties

“The counties of Wayne, Macomb and St. Clair, shall have jurisdiction, in common, of all offen[s]es committed on that part of Lake St. Clair which lies within the limits of this state; and such offen[s]es may be heard and tried in either of said counties in which legal process against the offender shall be first issued, in like manner, and to the same effect as if the offen[s]e had been committed in any part of either of said counties.” MCL 45.8.

C. Counties Bordering on Lake Michigan

“The counties now existing, or which may be hereafter organized, bordering upon the shore of Lake Michigan shall have jurisdiction of all offen[s]es committed on that part of Lake Michigan which lies within the limits of this state; and such offen[s]es shall be heard and tried in either of the 2 counties nearest the place where the alleged offen[s]e was committed.” MCL 45.10.

D. Counties Bordering on Lake Huron

“The counties now existing, or which may be hereafter organized, bordering upon the shore of Lake Huron shall have jurisdiction of all offen[s]es committed on that part of Lake Huron which lies within the limits of this state; and such offen[s]es shall be heard and tried in either of the 2 counties nearest the place where the alleged offen[s]e was committed.” MCL 45.12.

E. Counties Bordering on Lake Superior

“The county of Chippewa, and such other counties as may hereafter be organized upon the shore of Lake Superior, shall have jurisdiction, in common, of all offen[s]es committed on that part of Lake Superior which lies within the limits of this state, and such offen[s]es may be heard and tried in either of such counties in which
legal process against the offender shall be first issued, in like manner and to the same effect as if the offen[s]e had been committed in any part of either of said counties.” MCL 45.14.

4.3 Provisions Related to Local Ordinances

“Local political subdivisions that believe that special local ordinances of the type authorized by this part are needed on waters subject to their jurisdiction shall inform the department and request assistance. All such requests shall be in the form of an official resolution approved by a majority of the governing body of the concerned political subdivision following a public hearing on the resolution. Upon receipt of a resolution under this section, the department shall proceed as required by [MCL 324.80110 and MCL 324.80111].” MCL 324.80112.

“The [DNR] may initiate investigations and inquiries into the need for special rules for the use of vessels, water skis, water sleds, aquaplanes, surfboards, or other similar contrivances on any of the waters of this state to assure compatibility of uses and to protect public safety.” MCL 324.80110(1). “If the [DNR] receives a resolution pursuant to [MCL 324.80112], the [DNR] shall initiate an investigation and inquiry under [MCL 324.80110(1)].” MCL 324.80110(1). The process by which special rules are considered and enacted is set out in MCL 324.80110(2)-MCL 324.80110(6).

“Within 90 days following [a] public hearing under [MCL 324.80110(4)], if the [DNR] determines that there is a need for special rules for the water body, the [DNR] shall propose a local ordinance or appropriate changes to a local ordinance.” MCL 324.80110(5). The process for enacting a local ordinance is set out in MCL 324.80111. “Local political subdivisions may enact as an ordinance any or all of sections [MCL 324.80101 et seq.].” MCL 324.80113(3).

Once a local ordinance proposed pursuant to MCL 324.80110 is enacted, it “shall be enforced as provided for in [MCL 324.80113].” MCL 324.80111.

“State, county, and local peace officers shall enforce local ordinances enacted in accordance with [MCL 324.80101 et seq.]” MCL 324.80113(1).

“All rules establishing special local watercraft controls promulgated under former 1967 PA 303 before March 17, 1986 shall remain in effect unless rescinded pursuant to [MCL 324.80108, MCL 324.80110, MCL 324.80111, and MCL 324.80112].” MCL 324.80113(2).
“A political subdivision having adopted a local ordinance in conformity with [MCL 324.80101 et seq.,] may provide that any violation of the ordinance is a misdemeanor.” MCL 324.80171.

4.4 Authority to Enforce the Marine Safety Act

A. DNR Conservation Officers

“Conservation officers appointed by the [DNR] and trained and certified pursuant to [MCL 28.601 to MCL 28.615], are peace officers, and except as otherwise provided by law, are vested with all the powers, privileges, prerogatives, and immunities conferred upon peace officers as provided in [MCL 300.21 to MCL 300.22], and in the general laws of [Michigan].” MCL 324.1501.

“Except as otherwise provided by law, conservation officers appointed by the [DNR] have the same power to serve criminal process and to require aid in executing process as sheriffs, and are entitled to the same fees as sheriffs in performing those duties under [the NREPA], under [MCL 300.21 to MCL 300.22], and under the general laws of [Michigan].” MCL 324.1502.

B. Commissioned Park and Recreation Officers

“The [DNR] may commission park and recreation officers to enforce, on property regulated under [MCL 324.78101 et seq., (state waterways)], rules promulgated by the [DNR] and orders issued by the [DNR] that are authorized in those rules, including, but not limited to, rules promulgated or orders issued under [MCL 324.504], and any laws of [Michigan] specified in those rules as enforceable by commissioned park and recreation officers.” MCL 324.1606(2).

“In performing those enforcement activities, commissioned park and recreation officers are vested with the powers, privileges, prerogatives, and immunities conferred upon peace officers under the laws of [Michigan]. MCL 324.1606(2).

“In addition to the limited arrest authority granted in [MCL 324.1606(2)], on property regulated under [MCL 324.74101 et seq., (state parks)], a commissioned park and recreation officer may arrest an individual without a warrant if 1 or more of the following circumstances exist:

(a) In the presence of the park and recreation officer, the individual commits an assault or an assault and battery in violation of . . . MCL 750.81 and MCL 750.81a.
(b) The park and recreation officer has reasonable cause to believe that a felony has been committed and reasonable cause to believe that the individual has committed it.

(c) The park and recreation officer has received affirmative written or verbal notice from a law enforcement officer or agency that a peace officer possesses a warrant for the individual’s arrest.

***

(e) The person violates . . . [MCL 324.82101 et seq.] . . .” MCL 324.1606(3).

“If a conservation officer or a park and recreation officer commissioned under [MCL 324.1606(2)] arrests a person without warrant for a minor offense committed in the officer’s presence, instead of immediately bringing the person for arraignment by the court having jurisdiction, the officer may issue to and serve upon the person an appearance ticket as authorized by [MCL 764.9c to MCL 764.9g].” MCL 324.1606(6).

C. Peace Officers

A peace officer may enforce MCL 324.80101 et seq. See MCL 324.80104(c).

4.5 Rulemaking Authority of the DNR

A. Broad Authority: “Rules as Necessary”

“The [DNR] may promulgate rules as may be necessary to implement [MCL 324.80101 et seq.]” MCL 324.80121. “The [DNR] shall publish the approved rules in a convenient form.” See MCL 324.80109(1).

B. Safety Standards

“The [DNR] may promulgate rules to establish performance or other safety standards relating to boat construction or the installation, use, or carriage of associated equipment.” MCL

---

1 The administrative rules are available here. In addition, the DNR website contains detailed information about DNR boating rules and regulations, available here. See also the Handbook of Michigan Boating Laws and Responsibilities.
“The [DNR] shall publish the approved rules in a convenient form.” See MCL 324.80109(1).

“In order that a boat operator may pass unhindered from jurisdiction to jurisdiction, rules authorized by [MCL 324.80114] shall be identical to federal regulations for enforcement purposes.” MCL 324.80114(2). “However, rules requiring the carrying or using of marine safety articles to meet uniquely hazardous conditions or circumstances within [Michigan] may be promulgated, if the rules for the safety articles are approved by the United States coast guard.” Id.

“A person who violates a rule promulgated to implement [MCL 324.80114] is responsible for a state civil infraction and may be ordered to pay a civil fine of not more than $500.00.” MCL 324.80114(3).

The administrative rules are available here.

C. Decal Display

“The [DNR] shall promulgate a rule or rules to establish the manner in which the decal is to be displayed.” MCL 324.80124(15). “The [DNR] shall publish the approved rules in a convenient form.” See MCL 324.80109(1).

D. Reporting System

“The [DNR] shall promulgate rules to establish a state vessel collision, accident, or other casualty reporting system in conformity with that established by the United States coast guard.” MCL 324.80139. “The [DNR] shall publish the approved rules in a convenient form.” See MCL 324.80109(1).

E. Motorboat Speeds

“The [DNR] may promulgate rules to establish maximum motorboat speed limits or to allow unlimited motorboat speed on the waters of this state.” MCL 324.80146(1). “The [DNR] shall publish the approved rules in a convenient form.” See MCL 324.80109(1).

F. Water Ski Tournaments

“The [DNR] shall adopt standards for water ski tournament boat operation established by U.S.A. water ski in ‘Trained Boat Driver Program’, April 1997, and by the American water ski association in
‘Drivers’ Policy Manual’. However, the [DNR] may promulgate rules providing for alternative standards under . . . MCL 24.201 to [MCL] 24.328.” MCL 324.80152(6).

“The [DNR] shall publish the approved rules in a convenient form.” See MCL 324.80109(1).

G. Boat Races

“The [DNR] may authorize the holding of regattas, motorboat or other boat races, marine parades, tournaments, or exhibitions, or trials for those events, on any waters of this state. The [DNR] shall promulgate and may amend rules concerning the conduct of such marine events.” MCL 324.80164.

4.6 Warrantless Arrest Under the Marine Safety Act

A. Warrantless Arrest By Peace Officer

“A peace officer who observes a marine law violation or the commission of a crime may immediately arrest the person without a warrant or issue to the person a written or verbal warning.” MCL 324.80166(4).

B. Cases in Which Arrested Person Must Be Arraigned By a Magistrate or Judge

“If a person is arrested without a warrant for any of the following, the arrested person shall, without unreasonable delay, be arraigned by a magistrate or judge who is within the county in which the offense charged is alleged to have been committed, who has jurisdiction of the offense, and who is nearest or most accessible with reference to the place where the arrest is made:

(a) The person is arrested upon a charge of negligent homicide.

(b) The person is arrested under [MCL 324.80176(1), MCL 324.80176(3), MCL 324.80176(4), or MCL 324.80176(5)], or a local ordinance substantially
corresponding to [MCL 324.80176(1) or MCL 324.80176(3)].

(c) The person is arrested under [MCL 324.80147] or a local ordinance substantially corresponding to [MCL 324.80147]. If in the existing circumstances it does not appear that releasing the person pending the issuance of a warrant will constitute a public menace, the arresting officer may proceed as provided by [MCL 324.80168].” MCL 324.80167.

C. Appearance Following a Warrantless Arrest

“When a person is arrested without a warrant for a violation of [MCL 324.80101 et seq.,] punishable as a misdemeanor, or of a provision of any local ordinance or rule established in conformity with [MCL 324.80101 et seq.,] under conditions not referred to in [MCL 324.80167], the arresting officer shall prepare in duplicate a written notice to appear in court containing the name and address of the person, the offense charged, and the time and place when and where the person shall appear in court.” MCL 324.80168(1). “If the arrested person so demands, he or she shall be arraigned by a magistrate or a district court judge as provided in [MCL 324.80167] in lieu of being given the notice.” MCL 324.80168(1).

“The time specified in the notice to appear shall be within a reasonable time after the arrest unless the person arrested demands an earlier hearing.” MCL 324.80168(2).

“The place specified in the notice to appear shall be before a magistrate or district court judge who is within the township or county in which the offense charged is alleged to have been committed and who has jurisdiction of the offense.” MCL 324.80168(3).

“Appearance may be made in person, by representation, or by mail.” MCL 324.80168(4). “When appearance is made by representation or mail, the magistrate or district court judge may accept the plea of guilty or not guilty for purposes of arraignment, with the same effect as though the person personally appeared before him or her.” MCL 324.80168(4). “The magistrate or district court judge, by giving notice 5 days prior to the date of appearance, may require appearance in person at the time and place designated in the notice.” Id.
D. Warrantless Arrest of a Nonresident

“If a person not a resident of [Michigan] is arrested without a warrant for a violation of [MCL 324.80101 et seq.,] under conditions not referred to under [MCL 324.80167], the officer making the arrest, upon demand of the arrested person, shall immediately take the person for arraignment by a magistrate or a district court judge in the vicinity to answer to the complaint made against him or her.” MCL 324.80169(1). “If a magistrate or a district court judge is not available or an immediate trial cannot be had, the person arrested may recognize to the officer for his or her appearance by leaving with him or her not more than $200.00.” Id.

“The officer making the arrest shall give a receipt to the person arrested for the money deposited with him or her under [MCL 324.80169(1)], together with a written summons as provided in [MCL 324.80168].” MCL 324.80169(2). “If the offender fails to appear as required, the deposit shall be forfeited as in other cases of default in bail, in addition to any other penalty provided in [MCL 324.80101 et seq.].” MCL 324.80169(3). “Not more than 48 hours after taking a deposit under [MCL 324.80169], the officer shall deposit the money with the magistrate or the district court judge named in the notice to appear, together with a report stating the facts relating to the arrest.” MCL 324.80169(4). “Failure to report and deposit the money is embezzlement of public money.” Id.

E. Violation By Officer, Magistrate or District Court Judge

“Any officer, magistrate, or district court judge violating [MCL 324.80168 or MCL 324.80169] is guilty of misconduct in office and is subject to removal from office.” MCL 324.80170(1).

“[MCL 324.80168 and MCL 324.80169] govern all peace officers in making arrests without a warrant for violations of [MCL 324.80101 et seq.,] and do not prevent the execution of a warrant for the arrest of a person as in other cases of misdemeanors when it may be necessary.” MCL 324.80170(2).

4.7 General Penalty Provision in the Marine Safety Act

Except as otherwise provided, a person who violates the Marine Safety Act is guilty of a misdemeanor punishable by:

- imprisonment for not more than 90 days;
- fine of not more than $500; or
- both. MCL 750.504. See also MCL 324.80171.
Several exceptions to this general penalty provision exist and are discussed at length in this chapter.

4.8 Costs and Minimum State Costs

MCL 769.1k(1)(b)(ii) (allowing the court to impose “[a]ny cost authorized by the statute for a violation of which the defendant entered a plea of guilty or no contest or the court determined that the defendant was guilty[ ]”) does not provide courts with “the independent authority to impose costs upon criminal defendants.” People v Cunningham (Cunningham II), 496 Mich 145, 147 (2014), rev’g 301 Mich App 218 (2013) and overruling People v Sanders (Robert) (After Remand), 298 Mich App 105 (2012), and People v Sanders (Robert), 296 Mich App 710 (2012). Rather, it “provides courts with the authority to impose only those costs that the Legislature has separately authorized by statute.” Id. at 154. Effective October 17, 2014, 2014 PA 352 amended MCL 769.1k in response to the Michigan Supreme Court’s holding in Cunningham II.2 In Cunningham II, the Court held that MCL 769.1k(1)(b)— which, at the time, provided for the imposition of “[a]ny cost in addition to the minimum state cost”— did “not provide courts with the independent authority to impose ‘any cost[;]’” rather, it “provide[d] courts with the authority to impose only those costs that the Legislature has separately authorized by statute.” Cunningham II, 496 Mich at 147, 158 (concluding that “[t]he circuit court erred when it relied on [former] MCL 769.1k(1)(b)(ii) as independent authority to impose $1,000 in court costs[.]”). 2014 PA 352, in addition to making other revisions to MCL 769.1k, added MCL 769.1k(1)(b)(iii) to provide for the imposition of “any cost reasonably related to the actual costs incurred by the trial court[.]”3 The amendments effectuated by 2014 PA 352 “apply to all fines, costs, and assessments ordered or assessed under . . . MCL 769.1k[,] before June 18, 2014, and after [October 17, 2014].” 2014 PA 352, enacting section 1 (emphasis supplied).

MCL 769.1k(1)(b)(iii) authorizes the imposition of costs independently of the statute for the sentencing offense, and “[a] trial court possessed the authority under MCL 769.1k, as amended by 2014 PA 352, to order [the] defendant to pay court costs.” People v Konopka (On Remand), 309 Mich App 345, 350, 358 (2015). “However, although the costs imposed [under MCL 769.1k(1)(b)(iii)] . . . need not be separately calculated, . . . the trial court [must] . . . establish a factual basis[]” demonstrating that “the court costs imposed [are] ‘reasonably related to the actual costs incurred by the trial court[.]’” Konopka (On Remand), 309 Mich App at 359-360, quoting MCL 769.1k(1)(b)(iii).

2 The amended version of MCL 769.1k does not violate a defendant’s due process or equal protection rights, nor does it violate the constitutional prohibition on ex post facto punishments or the principle of separation of powers. People v Konopka (On Remand), 309 Mich App 345, 361, 369-370, 376 (2015).

3 This provision expires on October 17, 2020. See MCL 769.1k(1)(b)(iii).
“If a defendant is determined to be responsible or responsible ‘with explanation’ for a state civil infraction, the judge or district court magistrate may order the defendant to pay . . . costs as provided in [MCL 600.8827(3)].” MCL 600.8827(2). “In the order of judgment, the judge or district court magistrate may grant a defendant permission to pay . . . costs . . . within a specified period of time or in specified installments.” Id. “Otherwise, the . . . costs . . . are payable immediately.” Id.

“If a defendant is ordered to pay a civil fine under [MCL 600.8827(2)], the judge or district court magistrate shall summarily tax and determine the costs of the action, which are not limited to the costs taxable in ordinary civil actions and may include all expenses, direct and indirect, to which the plaintiff has been put in connection with the civil infraction, up to the entry of judgment.” MCL 600.8827(3). “Costs of not more than $500.00 shall be ordered.” Id.

“[I]f the court orders a person convicted of an offense to pay any combination of a fine, costs, or applicable assessments, the court shall order that the person pay costs of not less than the following amount, as applicable:

(a) $68.00, if the defendant is convicted of a felony.

(b) $50.00, if the defendant is convicted of a misdemeanor or ordinance violation.” MCL 769.1j(1). See also MCL 600.8381(4).

The costs imposed under MCL 769.1j(1)(a) constitute a tax, and this tax does not violate the separation of powers requirement under Const 1963, art 3, § 2 or the requirement of Const 1963, art 4, § 32 that “[e]very law which imposes, continues or revives a tax shall distinctly state the tax.” People v Shenoskey, 320 Mich App 80, 83-84 (2017) (applying the analysis of MCL 769.1k(1)(b)(iii) in People v Cameron, 319 Mich App 215 (2017) to MCL 769.1j(1)(a) because the statutes are “closely related”).

“Payment of the minimum state cost is a condition of probation under [MCL 771.1 et seq.]” MCL 769.1j(3). See also MCL 771.3(1)(g) (“[t]he probationer shall pay the minimum state cost prescribed by [MCL 769.1j]”).

4.9 Justice System Assessment

“[W]hen fines and costs are assessed by a judge or district court magistrate in a civil infraction action, the defendant shall be ordered to pay the assessment required by [MCL 600.8727, MCL 600.8827, or MCL 257.907 (Michigan Vehicle Code)].” MCL 600.8381(5).
MCL 600.8727 applies to municipal civil infractions and requires the court to “order the defendant to pay a justice system assessment of $10.00” “in addition to any fine or cost ordered to be paid under [MCL 600.8727(2)].” MCL 600.8727(4).

MCL 600.8827 applies to state civil infractions and requires the court to “order the defendant to pay a justice system assessment of $10.00” “in addition to any fine or cost ordered to be paid under [MCL 600.8827(2) or MCL 600.8827(3)].” MCL 600.8827(4).

4.10 Specified Marine Vessel/Motorboat Sanctions

A. Impoundment

“When a person is convicted under [MCL 324.80196(1)], the vessel, if it is owned in whole or in part by that person, shall be ordered impounded for not less than 30 or more than 120 days from the date of judgment.” MCL 324.80197(1).

“An order of impoundment issued pursuant to [MCL 324.80197(1)] is valid throughout [Michigan]. Any peace officer may execute the impoundment order. The order shall include the implied consent of the owner of the vessel to the storage for insurance coverage purposes.” MCL 324.80197(1).

“The owner of a vessel impounded pursuant to [MCL 324.80197] is liable for expenses incurred in the removal and storage of the vessel whether or not the vessel is returned to him or her. The vessel shall be returned to the owner only if the owner pays the expenses for removal and storage. If redemption is not made or the vessel is not returned as provided in [MCL 324.80197] within 30 days after the time set in the impoundment order for return of the vessel, the vessel shall be considered abandoned.” MCL 324.80197(2).

“Nothing in [MCL 324.80197] affects the rights of a conditional vendor, chattel mortgagee, or lessor or a vessel registered in the name of another person as owner who becomes subject to [MCL 324.80101 et seq.]” MCL 324.80197(3).

B. Court Order Not to Operate Motorboat

“Immediately upon acceptance by the court of a plea of guilty or nolo contendere or upon entry of a verdict of guilty for a violation of [MCL 324.80176(1), MCL 324.80176(3), MCL 324.80176(4), MCL 324.80176(5), MCL 324.80176(6), or MCL 324.80176(7)] or a local ordinance substantially corresponding to [MCL 324.80176(1), MCL 324.80176(3), or MCL 324.80176(6)], whether or not the person is
eligible to be sentenced as a multiple offender, the court shall consider all prior convictions currently entered upon the boating record of the person or other evidence of prior convictions established under [MCL 324.80179], except those convictions that, upon motion by the defendant, are determined by the court to be constitutionally invalid, and shall impose the following sanctions:

(a) For a conviction under [MCL 324.80176(4) or MCL 324.80176(5)], the court shall order with no expiration date that the person not operate a motorboat on the waters of this state.

(b) For a conviction under [MCL 324.80176(1)] or a local ordinance substantially corresponding to [MCL 324.80176(1)]:

(i) If the court finds that the person has no prior convictions within 7 years the court may order that the person not operate a motorboat on the waters of this state for not less than 1 year or more than 2 years.

(ii) If the court finds that the person has 1 or more prior convictions within 7 years, the court shall order that the person not operate a motorboat on the waters of this state for not less than 2 years.

A. Preliminary Chemical Breath Analysis (PBT)

1. Submitting to or Refusing a Preliminary Chemical Breath Analysis Test (PBT)

“A peace officer who has reasonable cause to believe that a person was operating a motorboat on the waters of this state, and that, by the consumption of alcoholic liquor, the person may have affected his or her ability to operate a motorboat, may require the person to submit to a [PBT].” MCL 324.80180(2).

“A person who submits to a [PBT] remains subject to the requirements of [MCL 324.80187–MCL 324.80190] for the purposes of chemical tests described in those sections.” MCL 324.80180(2)(d).

2. Admissibility at Trial

“The results of a [PBT] are admissible in a criminal prosecution for a crime described in [MCL 324.80187(1)] or in an administrative hearing solely to assist the court or hearing officer in determining a challenge to the validity of an arrest.” MCL 324.80180(2)(c). “[MCL 324.80180(2)(c)] does not limit the introduction of other competent evidence offered to establish the validity of an arrest.” MCL 324.80180(2)(c).
B. Chemical Tests

“A rule relating to a chemical test for alcohol or a controlled substance promulgated under the Michigan vehicle code, Act No. 300 of the Public Acts of 1949, being sections [MCL 257.1] to [MCL 257.923] of the Michigan Compiled Laws, applies to a chemical test administered under [MCL 324.80101 et seq.]” MCL 324.80181(3).

1. Implied Consent Upon Arrest

“A person who operates a motorboat on the waters of this state is considered to have given consent to chemical tests of his or her blood, breath, or urine for the purpose of determining the amount of alcohol or presence of a controlled substance, or both, in his or her blood in all of the following circumstances:

(a) The person is arrested for a violation of [MCL 324.80176(1), MCL 324.80176(3), MCL 324.80176(4), MCL 324.80176(5), MCL 324.80176(6), or MCL 324.80176(7)], or a local ordinance substantially corresponding to [MCL 324.80176(1), MCL 324.80176(3), or MCL 324.80176(6)].

(b) The person is arrested for negligent homicide, manslaughter, or murder resulting from the operation of a motorboat, and the peace officer had reasonable grounds to believe that the person was operating the motorboat in violation of [MCL 324.80176].” MCL 324.80187(1).

“A person who is afflicted with hemophilia, diabetes, or a condition requiring the use of an anticoagulant under the direction of a physician shall not be considered to have given consent to the withdrawal of blood.” MCL 324.80187(2).

“A chemical test described in [MCL 324.80187(1)] shall be administered as provided in [MCL 324.80181 and MCL 324.80182].” MCL 324.80187(3).

2. Advice

“A person arrested for a crime described in [MCL 324.80187(1)] shall be advised of all of the following:

(i) That if the person takes a chemical test of his or her blood, urine, or breath administered at the request of a peace officer, the person has the right to demand that someone of the person’s own choosing administer 1 of the chemical tests; that
the results of the test are admissible in a judicial proceeding as provided under [MCL 324.80101 et seq.,] and shall be considered with other competent evidence in determining the innocence or guilt of the defendant; and that the person is responsible for obtaining a chemical analysis of a test sample obtained pursuant to the person’s own request.\footnote{However, the defendant cannot choose a specific analyst at the Michigan State Police (MSP) laboratory to administer the chemical test. See People v Green (Gregory), 310 Mich App 249, 255 (2015) (reversing the trial court’s order compelling the MSP laboratory to retest evidence at the defendant’s request and holding that MCL 257.625a(6), which provides the defendant with an identical right to independent testing in the context of motor vehicles, does not permit a defendant to choose a forensic scientist at the MSP laboratory to administer a chemical test because “there is no indication that the MSP laboratory . . . offers chemical testing services to private individuals or is able to bill for such services[].” “[T]he trial court lacks authority to compel a state agency to perform services it does not offer.” Green (Gregory), 310 Mich App at 255. Further, “MCR 6.201(A)(6) does not provide the trial court with the authority to order the MSP to retest its own evidence. Rather, it merely provides the court with the authority to provide [the] defendant the opportunity to test any tangible physical evidence.” Green (Gregory), 310 Mich App 256-257.}

\(\text{(ii) That if the person refuses the request of a peace officer to take a test described in [MCL 324.80181(1)(b)(i)], the test shall not be given without a court order, but the peace officer may seek to obtain such a court order.}\)

\(\text{(iii) That the person’s refusal of the request of a peace officer to take a test described in [MCL 324.80181(1)(b)(i)] will result in issuance of an order that the person not operate a vessel on the waters of this state for at least 6 months.” MCL 324.80181(1)(b).}\)

\section*{3. Submitting to or Refusing a Chemical Test}

“A chemical test described in [MCL 324.80181] shall be administered at the request of a peace officer having reasonable grounds to believe the person has committed a crime described in [MCL 324.80187(1)].” MCL 324.80182(1).

“A person who takes a chemical test administered at the request of a peace officer, as provided in [MCL 324.80181], shall be given a reasonable opportunity to have someone of the person’s own choosing administer 1 of the chemical tests described in [MCL 324.80181] within a reasonable time after the person’s detention, and the results of the test are admissible and shall be considered with other competent evidence in determining the innocence or guilt of the defendant. If the person charged is administered a chemical test by someone of the person’s own choosing, the person charged is responsible
for obtaining a chemical analysis of the test sample.” \(^\text{13}\) MCL 324.80182(1).

“If a person refuses the request of a peace officer to submit to a chemical test offered pursuant to [MCL 324.80181 or MCL 324.80182], a test shall not be given without a court order, but the officer may seek to obtain the court order.” MCL 324.80188(1).

“If a person refuses a chemical test offered pursuant to [MCL 324.80181 or MCL 324.80182], the peace officer who requested the person to submit to the test shall immediately forward a written report to the secretary of state.” MCL 324.80188(2). “The report shall state that the officer had reasonable grounds to believe the person committed a crime described in [MCL 324.80187(1)] and that the person refused to submit to the test upon the request of the peace officer and has been advised of the consequences of the refusal.” MCL 324.80188(2).

a. Requesting a Hearing

“If a person refuses to submit to a chemical test pursuant to [MCL 324.80181 or MCL 324.80182], the peace officer shall immediately notify the person in writing that within 14 days of the date of the notice the person may request a hearing as provided in [MCL 324.80190].” MCL 324.80189(1). “The notice shall specifically state that failure to request a hearing within 14 days will result in issuance of an order that the person not operate a vessel on the waters of this state.” MCL 324.80189(2).

“If a person who refuses to submit to a chemical test under [MCL 324.80181 or MCL 324.80182] does not request a hearing within 14 days of the date of notice under [MCL 324.80189], the secretary of state shall issue an order that the person not operate a motorboat on the waters of this state for 1 year or, for a second or

\(^{13}\)However, the defendant cannot choose a specific analyst at the Michigan State Police (MSP) laboratory to administer the chemical test. See People v Green (Gregory), 310 Mich App 249, 255 (2015) (reversing the trial court’s order compelling the MSP laboratory to retest evidence at the defendant’s request and holding that MCL 257.625a(6), which provides the defendant with an identical right to independent testing in the context of motor vehicles, does not permit a defendant to choose a forensic scientist at the MSP laboratory to administer a chemical test because “there is no indication that the MSP laboratory . . . offers chemical testing services to private individuals or is able to bill for such services[.]” “[T]he trial court lacks authority to compel a state agency to perform services it does not offer.” Green (Gregory), 310 Mich App at 255. Further, “MCR 6.201(A)(6) does not provide the trial court with the authority to order the MSP to retest its own evidence. Rather, it merely provides the court with the authority to provide [the] defendant the opportunity to test any tangible physical evidence.” Green (Gregory), 310 Mich App at 256-257.
subsequent refusal within 7 years, for 2 years.” MCL 324.80190(1).

If the person requests a hearing, MCL 324.80190(2)-(3) govern the procedures for that administrative hearing. “After a hearing, if the person who requested the hearing does not prevail, the secretary of state shall order that the person not operate a motorboat on the waters of this state for 1 year or, for a second or subsequent refusal within 7 years, for 2 years.” MCL 324.80190(4).

b. Circuit Court Appeals

“The person may file a petition in the circuit court of the county in which the arrest was made to review the order as provided in [MCL 324.80194].” MCL 324.80190(4). “If after the hearing the person who requested the hearing prevails, the peace officer who filed the report under [MCL 324.80188] may, with the consent of the prosecuting attorney, file a petition in the circuit court of the county in which the arrest was made to review the determination of the hearing officer as provided in [MCL 324.80194].” MCL 324.80190(4). See also MCL 324.80194(1).

Generally, the petition for review must be filed within 63 days of the secretary of state’s determination. MCL 324.80194(1). However, “for good cause shown, the court may allow the petition to be filed within 182 days after the determination is made.” Id.

“In reviewing a determination under [MCL 324.80190], the court shall confine its consideration to a review of the record prepared pursuant to [MCL 324.80190] to determine whether the hearing officer properly determined the issues enumerated in [MCL 324.80190].” MCL 324.80194(4).

4. Requirements for Collecting a Sample/Specimen for Chemical Test

“A sample or specimen of urine or breath shall be taken and collected in a reasonable manner. Only a licensed physician, or a licensed nurse or medical technician under the direction of a licensed physician, qualified to withdraw blood and acting in a medical environment, may withdraw blood at the request of a peace officer for the purpose of determining the amount of alcohol or presence of a controlled substance, or both, in a person’s blood, as provided in [MCL 324.80181(2)]. A qualified person who withdraws or analyzes blood, or assists in the
withdrawal or analysis, in accordance with [MCL 324.80101 et seq.,] is not liable for a crime or civil damages predicated on the act of withdrawing or analyzing blood and related procedures unless the withdrawal or analysis is performed in a negligent manner.” MCL 324.80181(2).

5. Disclosure

“If a chemical test described in [MCL 324.80181 and MCL 324.80182] is administered, the results of the test shall be made available to the person charged or the person’s attorney upon written request to the prosecution, with a copy of the request filed with the court.” MCL 324.80183(2). “The prosecution shall furnish the results at least 2 days before the day of trial.” Id. “The results of the test shall be offered as evidence by the prosecution in that trial.” Id. “Failure to fully comply with the request bars the admission of the results into evidence by the prosecution.” Id.

Similarly, where a vessel has been involved in an accident, chemical tests may be taken and must be disclosed as required by statute. See MCL 324.80182(2)-(3). Under MCL 324.80182(2), if a chemical analysis of a vessel operator’s blood has been taken pursuant to that provision (taking blood after vessel accident for medical purposes), “[t]he medical facility or person performing the chemical analysis shall disclose the results of the analysis to a prosecuting attorney who requests the results for use in a criminal prosecution as provided in this subsection. A medical facility or person disclosing information in compliance with this subsection is not civilly or criminally liable for making the disclosure.” Under MCL 324.80182(3), a person’s blood must be withdrawn “in a manner directed by the medical examiner” following an accident involving a vessel where the operator dies. “The medical examiner shall give the results of the chemical analysis of the sample to the law enforcement agency investigating the accident, and that agency shall forward the results to the department.” Id.

6. Admissibility Issues

“The amount of alcohol or presence of a controlled substance, or both, in an operator’s blood at the time alleged as shown by chemical analysis of the person’s blood, urine, or breath is admissible into evidence in any civil or criminal proceeding.” MCL 324.80181(1)(a).

“[T]he results of [a chemical test described in MCL 324.80181] are admissible and shall be considered with other competent
evidence in determining the innocence or guilt of the defendant.” MCL 324.80182(1).

“A person’s refusal to submit to a chemical test as provided in [MCL 324.80181 and MCL 324.80182] is admissible in a criminal prosecution for a crime described in [MCL 324.80187(1)] only for the purpose of showing that a test was offered to the defendant, but not as evidence in determining innocence or guilt of the defendant.” MCL 324.80184. “The jury shall be instructed accordingly.” Id.

“The provisions of [MCL 324.80181 and MCL 324.80182] relating to chemical tests do not limit the introduction of any other competent evidence bearing upon the question of whether or not a person was impaired by, or under the influence of, alcoholic liquor or a controlled substance, or both, or whether the person had a blood alcohol content of 0.08 grams or more per 100 milliliters of blood, per 210 liters of breath, or per 67 milliliters of urine, or whether the person had any amount of a controlled substance listed in schedule 1 under . . . MCL 333.7212, or a rule promulgated under [MCL 333.7212], or of a controlled substance described in [MCL 333.7214(a)(iv)], in his or her body.” MCL 324.80183(1).

4.40 The Michigan Medical Marihuana Act and The Michigan Regulation and Taxation of Marihuana Act

“The Michigan Medical Marihuana Act (MMMA) prohibits the prosecution of registered patients who internally possess marijuana, but the act does not protect registered patients who operate a vehicle while ‘under the influence’ of marijuana.” People v Koon, 494 Mich 1, 3 (2013). Although the situation in Koon involved a motor vehicle and the Motor Vehicle Code’s (MVC) zero-tolerance provision, its discussion is included here as potentially relevant to a similar situation involving a motorboat. See MCL 324.80176(1)(c), which contains language similar to MCL 257.625(8), the MVC’s zero-tolerance provision. “The [MVC] prohibits a person from driving with any amount of a schedule 1 controlled substance, a list that includes marijuana, in his or her system.” Id. However, “the MMMA’s protection supersedes the [MVC’s] prohibition and allows a registered patient to drive when he or she has indications of marijuana in his or her system but is not otherwise under the influence of marijuana.” Id. Stated another way, “MCL 257.625(8), which is inconsistent with the MMMA, does not apply to the medical use of marijuana.” Koon, 494 Mich at 7. “[T]he MMMA is inconsistent with, and therefore supersedes, MCL 257.625(8) unless a registered qualifying patient loses immunity because of his or her failure to act in accordance with the MMMA.” Koon, 494 Mich at 8-9.

Effective December 6, 2018, Initiated Law 1 of 2018, MCL 333.27951 et seq., created the Michigan Regulation and Taxation of Marihuana Act (MRTMA), the purpose of which “is to make marihuana legal under state and local law for adults 21 years of age or older, to make industrial hemp legal under state and local law, and to control the commercial production and distribution of marihuana under a system that licenses, regulates, and taxes the businesses involved.” MCL 333.27952.

Similar to the conduct limitations set forth in the MMMA14, the MRTMA “does not authorize . . . operating, navigating, or being in physical control of any motor vehicle, aircraft, snowmobile, off-road recreational vehicle, or motorboat while [consum ing marihuana or] under the influence of marihuana.” MCL 333.27954(1)(a); MCL 333.27954(1)(g). “[S]moking marihuana within the passenger area of a vehicle upon a public way” is also prohibited. MCL 333.27954(1)(g). Notwithstanding,

14See MCL 333.26427(b)(4), which provides that the MMMA “does not permit any person to . . . [o]perate, navigate, or be in actual physical control of any motor vehicle, aircraft, snowmobile, off-road recreational vehicle, or motorboat while under the influence of marihuana.”
the MRTMA penalty provision does not penalize such conduct. MCL 333.27965.

The NREPA continues to prohibit the operation of a vehicle if the operator has any amount of a schedule I substance, which includes marihuana, in his or her body. MCL 324.80176(1)(c); MCL 333.7212(1)(c). It is unclear if violations of the limited conduct set forth in the MRTMA will be pursued under the NREPA. It is equally unclear if the Koon holding, which provides that the MMMA supersedes the MVC, will be extended to the MRTMA or to recreational vehicles.15

For more general information on the MMMA and the MRTMA, see the Michigan Judicial Institute’s Controlled Substances Benchbook, Chapter 8.

Part A—An Overview of the Personal Watercraft Act

5.1 Introduction

The Personal Watercraft Act is codified as Part 802 of the Natural Resources and Environmental Protection Act (NREPA), MCL 324.80201 et seq.

The Personal Watercraft Act, MCL 324.80201 et seq., “applies to personal watercraft and associated equipment used on the waters of this state.” MCL 324.80202(1).

“Except where expressly indicated otherwise, [MCL 324.80201 et seq.,] does not apply to a personal watercraft that is all of the following:

(a) Owned by a state or political subdivision of a state other than [Michigan] and its political subdivisions.

(b) Used principally for governmental purposes.

(c) Clearly marked and identifiable as personal watercraft that is used principally for governmental purposes.” MCL 324.80202(2).

“Except as otherwise provided in [MCL 324.80201 et seq.,] the [Department of Natural Resources (DNR)] is responsible for the administration of [MCL 324.80201 et seq.]” MCL 324.80203.

“Except as otherwise provided in [MCL 324.80201 et seq.,] a personal watercraft operator shall comply with [the Marine Safety Act, MCL 324.80101 et seq.1]” MCL 324.80222.

5.2 Authority to Enforce the Personal Watercraft Act

“Peace officers shall enforce [MCL 324.80201 et seq.]” MCL 324.80221.

5.3 Rulemaking Authority of the DNR

---

1 See Chapter 4 for more information on the Marine Safety Act.
5.4 General Penalty Provision in the Personal Watercraft Act

Except as otherwise provided, a person who violates the Personal Watercraft Act, MCL 324.80201 et seq., is guilty of a misdemeanor punishable by:

- imprisonment for not more than 90 days;
- fine of not more than $100; or
- both. MCL 324.80219.

“In addition, a person who violates [MCL 324.80201 et seq.,] may be required to participate in and complete a boating safety course.” MCL 324.80219.

5.5 Costs and Minimum State Costs

MCL 769.1k(1)(b)(ii) (allowing the court to impose “[a]ny cost authorized by the statute for a violation of which the defendant entered a plea of guilty or nolo contendere or the court determined that the defendant was guilty[.]”) does not provide courts with “the independent authority to impose costs upon criminal defendants.” People v Cunningham (Cunningham II), 496 Mich 145, 147 (2014), rev’g 301 Mich App 218 (2013) and overruling People v Sanders (Robert) (After Remand), 298 Mich App 105 (2012), and People v Sanders (Robert), 296 Mich App 710 (2012). Rather, it “provides courts with the authority to impose only those costs that the Legislature has separately authorized by statute.” Id. at 154. Effective October 17, 2014, 2014 PA 352 amended MCL 769.1k in response to the Michigan Supreme Court’s holding in Cunningham II. In Cunningham II, the Court held that MCL 769.1k(1)(b)— which, at the time, provided for the imposition of “[a]ny cost in addition to the minimum state cost”— did “not provide courts with the independent authority to impose ‘any cost[.]’” rather, it “provide[d] courts with the authority to impose only those costs that the Legislature has separately authorized by statute.” Cunningham II, 496 Mich at 147, 158 (concluding that “[t]he circuit court erred when it relied on [former] MCL 769.1k(1)(b)(ii) as independent authority to impose $1,000 in court costs[.]”). 2014 PA 352, in addition to making other revisions to MCL 769.1k, added MCL 769.1k(1)(b)(iii) to provide for the imposition of “any cost reasonably related to the actual costs incurred by the trial court[.]” The amendments effectuated by 2014

---

2The amended version of MCL 769.1k does not violate a defendant’s due process or equal protection rights, nor does it violate the constitutional prohibition on ex post facto punishments or the principle of separation of powers. People v Konopka (On Remand), 309 Mich App 345, 361, 369-370, 376 (2015).

3 This provision expires on October 17, 2020. See MCL 769.1k(1)(b)(iii).
Section 5.5 Recreational Vehicles Benchbook

PA 352 “appl[y] to all fines, costs, and assessments ordered or assessed under . . . MCL 769.1k[] before June 18, 2014, and after [October 17, 2014].” 2014 PA 352, enacting section 1 (emphasis supplied)

MCL 769.1k(1)(b)(iii) authorizes the imposition of costs independently of the statute for the sentencing offense, and “[a] trial court possessed the authority under MCL 769.1k, as amended by 2014 PA 352, to order [the] defendant to pay court costs.” People v Konopka (On Remand), 309 Mich App 345, 350, 358 (2015). “However, although the costs imposed [under MCL 769.1k(1)(b)(iii)] . . . need not be separately calculated, . . . the trial court [must] . . . establish a factual basis[]” demonstrating that “the court costs imposed [are] ‘reasonably related to the actual costs incurred by the trial court[,]’” Konopka (On Remand), 309 Mich App at 359-360, quoting MCL 769.1k(1)(b)(iii).

“If a defendant is determined to be responsible or responsible ‘with explanation’ for a state civil infraction, the judge or district court magistrate may order the defendant to pay . . . costs as provided in [MCL 600.8827(3)][]” MCL 600.8827(2). “In the order of judgment, the judge or district court magistrate may grant a defendant permission to pay . . . costs . . . within a specified period of time or in specified installments.” Id. “Otherwise, the . . . costs . . . are payable immediately.” Id.

“If a defendant is ordered to pay a civil fine under [MCL 600.8827(2)], the judge or district court magistrate shall summarily tax and determine the costs of the action, which are not limited to the costs taxable in ordinary civil actions and may include all expenses, direct and indirect, to which the plaintiff has been put in connection with the civil infraction, up to the entry of judgment.” MCL 600.8827(3). “Costs of not more than $500.00 shall be ordered.” Id.

“[I]f the court orders a person convicted of an offense to pay any combination of a fine, costs, or applicable assessments, the court shall order that the person pay costs of not less than the following amount, as applicable:

(a) $68.00, if the defendant is convicted of a felony.

(b) $50.00, if the defendant is convicted of a misdemeanor or ordinance violation.” MCL 769.1j(1). See also MCL 600.8381(4).

The costs imposed under MCL 769.1j(1)(a) constitute a tax, and this tax does not violate the separation of powers requirement under Const 1963, art 3, § 2 or the requirement of Const 1963, art 4, § 32 that “[e]very law which imposes, continues or revives a tax shall distinctly state the tax.” People v Shenoskey, 320 Mich App 80, 83-84 (2017) (applying the analysis of
MCL 769.1k(1)(b)(iii) in *People v Cameron*, 319 Mich App 215 (2017) to MCL 769.1j(1)(a) because the statutes are “closely related”).

“Payment of the minimum state cost is a condition of probation under [MCL 771.1 et seq.]” MCL 769.1j(3). See also MCL 771.3(1)(g) (“[t]he probationer shall pay the minimum state cost prescribed by [MCL 769.1j]”).

5.6 Justice System Assessment

“[W]hen fines and costs are assessed by a judge or district court magistrate in a civil infraction action, the defendant shall be ordered to pay the assessment required by [MCL 600.8727, MCL 600.8827, or MCL 257.907 (Michigan Vehicle Code)].” MCL 600.8381(5).

MCL 600.8727 applies to municipal civil infractions and requires the court to “order the defendant to pay a justice system assessment of $10.00” “in addition to any fine or cost ordered to be paid under [MCL 600.8727(2)].” MCL 600.8727(4).

MCL 600.8827 applies to state civil infractions and requires the court to “order the defendant to pay a justice system assessment of $10.00” “in addition to any fine or cost ordered to be paid under [MCL 600.8827(2) or MCL 600.8827(3)].” MCL 600.8827(4).

5.7 Specified Personal Watercraft Sanctions

“Upon a person’s second or subsequent conviction under [MCL 324.80208], the court may issue an order impounding the personal watercraft that the person was operating at the time the person violated [MCL 324.80208(1)] for a period of not more than 1 year, if either of the following conditions exists:

(a) The person is an owner of the personal watercraft.

(b) The person is the minor child of an owner of the personal watercraft.” MCL 324.80208(3).

“The cost of storage for an impoundment ordered under [MCL 324.80208(3)] shall be paid by the owner of the personal watercraft.” MCL 324.80208(4).
5.8 Liability of Personal Watercraft Owner for Negligent Operation/Presumption of Consent to Use

“The owner of a personal watercraft is liable for any injury occasioned by the negligent operation of the personal watercraft, whether the negligence consists of a violation of the statutes of [Michigan], or in the failure to observe the ordinary care in the operation that the rules of the common law require.” MCL 324.80207.

“The owner is not liable unless the personal watercraft is being used with his or her expressed or implied consent.” MCL 324.80207. “It shall be rebuttably presumed that the personal watercraft is being operated with the knowledge and consent of the owner if it is driven at the time of the injury by his or her son, daughter, spouse, father, mother, brother, sister, or other immediate member of the owner’s family.” Id.

5.9 Boating Safety Courses/Boating Safety Certificates

“In order to protect the public interest in the prudent and equitable use of the waters of this state and to enhance the enjoyment of pleasure boating and other recreational water sports on the waters of this state, the [DNR] shall establish and pursue comprehensive educational programs designed to advance boating safety.” MCL 324.80211(1).

“The [DNR] shall put into effect a program to train boat operators and shall issue a boating safety certificate to those who satisfactorily complete the program.” MCL 324.80211(2). “For the purpose of giving the courses of instruction and awarding boating safety certificates, the [DNR] may designate as its agent any person it considers qualified to act in this capacity.” Id. “The [DNR] or its agent may offer a video or home study boating safety course.” Id. “A charge shall not be made for any instruction given or for the award of boating safety certificates by any of the following:

(a) The [DNR] or another state agency.

(b) A law enforcement agency of [Michigan] or of a political subdivision of [Michigan].” Id.

“A boating safety certificate issued under [MCL 324.80212] is valid, unless revoked, for the life of the person who earned the certificate.” MCL 324.80212(3).

“The director may by written authorization modify or suspend the boating safety certificate requirements under [MCL 324.80201 et seq.,] if the modification or suspension of those certificate requirements is for individuals engaged in a marine event authorized by the director or for which the director receives a copy of a United States coast guard authorization.” MCL 324.80214.
