

Rehearing Checklist (Petition for Rehearing)

Once an order is entered under the Adoption Code, a party to the order has 21 days to petition the court for a rehearing.¹ See [MCL 710.64\(1\)](#). If a petitioner fails to petition the court within the 21-day period, there is no due process right to a rehearing. See *In re Myers*, 131 Mich App 160, 165-166 (1983).

Note: Pending your decision on the rehearing, stay any order or enter another order if it is in the best interest of the child. See [MCR 3.806\(D\)](#).

Upon receipt of a petition for rehearing, the court must:

- Ensure the petition was filed within 21 days after entry of the relevant order. See [MCL 710.64\(1\)](#).
 - Ensure the petition states a basis for rehearing. See [MCR 3.806\(A\)](#).
 - Determine whether the child is or the court has reason to believe the child is an Indian child as defined in [MCR 3.002\(12\)](#).²
 - Ensure that notice has been provided to all interested parties. See [MCR 3.806\(A\)](#); [MCR 5.105](#).
 - Determine whether any interested parties filed a response within 7 days of being served with notice. See [MCR 3.806\(A\)](#).
 - Determine whether good cause is shown to grant a rehearing.
 - If YES, schedule hearing. See [MCR 3.806\(B\)](#).
 - If NO, decide whether to grant rehearing based on the record or pleading filed. See [MCR 3.806\(B\)](#).
- Note:** Court may allow the use of videoconferencing technology for rehearing in accordance with [MCR 2.407](#). See [MCR 3.804\(B\)\(3\)](#).
- State reasons for decision in writing or on the record. See [MCR 3.806\(B\)](#).

² *Indian child* means "any unmarried person who is under age 18 and is either (a) a member of an Indian tribe, or (b) is eligible for membership in an Indian tribe as determined by that Indian tribe." [MCR 3.002\(12\)](#).
